INTRODUCTION: WHAT IS IT?

The goal of this cooperative summer program, sponsored by the *Saginaw Public Schools*, *Saginaw County*, and the *City of Saginaw*, is to involve the community in providing a variety of learning opportunities for school age children. In putting together this summer program, entitled *Hot Times Summer Youth Activities 2023*, we hope to achieve the following objectives:

1. *To provide a wide variety of recreation, enrichment and academic activities that are enjoyable, affordable, and accessible for school age children.*
2. *To help students develop a healthy appreciation for their leisure time activities.*
3. *To provide activities that prepare school age children for success.*
4. *To cooperate and collaborate with other agencies in creating and promoting positive activities, and by communicating these alternatives to students and their parents or guardians.*
5. *To provide a safe and healthy environment for students during the summer.*
6. *To challenge the youth of today and to help prepare them to become leaders for tomorrow.*

These nature based Playdate offerings take place in our beautiful rustic county parks! This program will include around a mile hike on the wooded trails, educational components and a nature based activity. Please wear hiking or tennis shoes & lots of BUG SPRAY. Meet at the pavilion.

This playdate theme gives children the opportunity to create with several different types of materials such as wood, foam, cardboard, oversized blocks and many other exciting options. Let your imagination be the limit at this hands on event!

Join SCPRC and Saginaw County 4-H for a fast paced, high energy Playdate geared toward slightly older kids. We will have our inflatable octagonal Gaga ball pit out for competitive play as well as inflatable ARCHERY! Four air streams keep target balls floating for endless hours of target shooting fun for all skill levels. Other games & activities will be offered for the younger crowd.

Who doesn't love to create fun? Come out and let your imagination go wild with create-and-take art projects. There may even be some games or shaving cream fun involved for those who aren't afraid to get their hands messy.

Music on the Move participants will have the opportunity to play different rhythm instruments, keep a steady beat with drums & tambourines, shake maracas, strum a guitar, find their voice and dance with the music! Music on the Move will be presented by Music for Munchkins, Creator/Vocalist Michele Spitz.

Join Miss Beth and Mr. Brian from Butman-Fish Library for a hilarious puppet show that will engage the whole family! Once the show is over, there will be craft activity for your child to enjoy. Bring a blanket or lawn chair and be ready to be entertained.

Slip and slide into Summer with some wet and wild fun. Bring a towel, wear your swimsuit & come prepared to get wet. Expect laughter & excitement while participating in water relays and playing on a 20ft inflatable water slide. *Note-potential risk for latex allergies.

Nothing But Net is designed to teach/enhance basic basketball skills & have FUN doing it! There will be drills to improve dribbling, shooting, passing, ball-handling and more. Some games will be incorporated to make the learning even more FUN! Basketballs will be provided. Bring an attitude to learn. All ages welcome.

Join the Saginaw County Mosquito Abatement and Saginaw County Parks in exploring the edges of Haithco Lake and small ponds to discover frogs, toads, dragonflies and more! What to bring? Weather-appropriate clothing, water, your smile and a camera.

Everything is larger than life during Supersize Fun. Come out and play with oversized balls, games and blocks. The fun and excitement will put a supersized smile on event participants faces!

We are teaming up with the YMCA Mission Nutrition to offer awesome programs and free lunches/snack to school aged children this summer! Free lunch is served immediately following most morning events and snacks after most afternoon events at a majority of our Playdates. Check out the schedule for the days lunch/snack will be served (lunches are first come first served while supplies last).

Date: **July 11-13**

Wednesday the 12th will be @ Castle Museum

Description:

Your mission, should you choose to accept it, is to identify a sneaky criminal mastermind that has pulled off the caper of the summer! To complete your assignment, you will have to look for fingerprints, create disguises and send coded messages.

Camp: Get the Job Done

Cost: \$90 for non-members, \$75 for members

Date: **July 18-21**

Description:

Do you know what you want to be when you grow up? Join us in a career quest to learn about jobs in places you may have never thought of and some that you probably have. The possibilities are endless to what you can become!

Camp: Down on the Farm

Cost: \$90 for non-members, \$75 for members

Date: **July 25-27**

Description:

Aunt Sugar and Uncle Pickle invite your child to learn all about farms and how your food gets to the table. With our Aunt Sugar's Farm Uncle Pickle's Barn gallery, kids will explore what equipment is used to harvest crops, what kids of crops are grown in Michigan, and how they are transported. Is your kid ready to go down to the farm?

Camp: Museum Mysteries

Cost: \$90 for non-members, \$75 for members

Date: **August 1-3**

Description:

There are just some things in this world that science does not have an answer for. Is Bigfoot or the Loch Ness Monster real? Why did humans build Stonehenge? See if your kid can help the museum answer some of these unknown mysteries.

Camp: What's the Matter with Science?

Cost: \$90 for non-members, \$75 for members

Date: **August 8-10**

Description:

In this camp, your kids will learn all about how matter interacts with each other. How do waves work? What is the difference between and solid, liquid, and gas and can some things be more than one? Find out in this experimental camp.

H.I.R.E. WORK READINESS PROGRAM

First Ward's H.I.R.E. Work Readiness and Summer Youth Employment Program is designed to focus on three areas: Outdoor recreation, Job skill development, and Employment encounters with links to the local Natural Resource Based Industry. The program is intended to respond to the social, educational, and economic problems faced by youth lacking occupational training and employment skills such as low self-esteem, underachievement, and poverty.

We are looking forward to working with you this year!

Please apply in person with Ms. Wendy Traylor, Workforce Development Coordinator, at First Ward Community Center or call 989.753.0411 ext. 14 for more information.
