SPECIAL INSTRUCTIONS

PRIOR TO COMMENCING WORK:

1. Arrange with the City Engineer to have permit issued on the job site which will authorize work to begin. Failure to comply will be cause for issuance of a "Stop Work" order on the project.
2. Notify underground location assistance 48 hours prior to any excavation. Dial 811 or 1-800-424-5555.
3. Permit is only valid if any special conditions mentioned are followed.

This Master Permit is valid for one year and revokable at any time after issuance. Driveway Access and Right of Way Permits shall be valid for a period of 90 calendar days, with one renewal allowed on request prior to expiration.

Permission is hereby given to do the above mentioned work, according to the conditions herein and according to the approved plans and specifications pertaining thereto, subject in compliance with the ordinances of the CITY OF SEDRO-WOOLLEY.

Permit Issued by: City Engineer/Designee

Date:

The CITY OF SEDRO-WOOLLEY shall be held harmless from any action arising from the work for which this permit is issued. I hereby certify that I am aware of the ordinances regulating work for which this permit is issued, and that all work done will be in conformance with these ordinances and as noted on this permit.

ALL APPLICABLE DOCUMENTS MUST BE ATTACHED!
