BOUNDARY LINE ADJUSTMENT

GENERAL APPLICATION INFORMATION AND PROCEDURE

1. A Boundary Line Adjustment (BLA) is the adjustment of a boundary line which results in the establishment of new property configurations.
2. BLAs are for minor changes in property lines between contiguous lots or parcels in order to correct a controversy regarding the location of a boundary line or to remedy non-conforming aspects of a lot. If an alteration results in **ANY** of the following, It is **NOT** considered a Boundary Line Adjustment:
 - a) The creation of any additional lot, tract parcel, site or division;
 - b) The creation of a lot, tract, parcel, site, or division which contains an insufficient area or dimension to meet the minimum requirements for area and dimensions as set forth in the Title 17 of the SWMC. **Exceptions:** road, stormwater facility, or driveway tracts;
 - c) The diminishment or impairment of drainage, water supply, existing sanitary sewer disposal and access or easement for vehicles, utilities and fire protection for any lot, tract, parcel, site, or division;
 - d) The creation or diminishment of any easement or the elimination of access or utilities to any parcel;
 - e) The expansion of non-conforming aspects of an existing non-conforming lot, tract parcel, site or division;
 - f) Re-plats, amends, alters or vacates a plat or short plat subdivision; and
 - g) Amends or modifies the condition(s) of approval for any previously platted property.
3. All BLA applications shall be charged a \$150.00 non-refundable fee at the time of application plus any resultant consultant fees for BLAs that require special technical or legal review.
4. All BLA Applications must be accompanied by three (3) copies of the documents listed in the "*Required Submittals for Boundary Line Adjustments*" found on page 6. Failure to attach all the required submittal documents will result in an incomplete application and will not be accepted by City staff. Note: If required, please do not submit Mylar sheets with the application materials as revisions are often necessary.
5. Upon notification by City Staff that the BLA requiring a survey is approved, *two copies of the approved BLA shall be submitted on a mylar sheets* no smaller than 24"x18" and containing the minimum information found on pages 6-8 and pursuant to the guidelines for Records of Survey as detailed in Chapter 58.09 RCW and 332-130 WAC which govern the minimum standards for land boundary surveys. Please also submit one paper copy of the approved BLA (or email a PDF document) to be included in the BLA file.
6. Recording: The BLA shall be recorded, together with deeds of conveyance from the parties disclosed in the title report and copies of the recorded documents forwarded to the Planning Department within 30-days of City approval.
7. If the copies of the recorded BLA and deeds of conveyance are not forwarded to the Planning Department within 30-days of City approval, the BLA shall be null and void.

SUBMITTAL REQUIREMENTS FOR BOUNDARY LINE ADJUSTMENT APPLICATIONS

NOTE: For changes in boundary lines that result in lines that are oriented exactly North-South or East-West, no Record of Survey is required. These submittals shall include a deed of conveyance that includes the following information and be on 8-1/2" x 11" paper.

For changes that result in lines that are not oriented exactly North-South or East-West, a Record of Survey is required. In addition to containing the following information, see pages 7 and 8 for further requirements of the Record of Survey.

1. All parcel number(s) of affected lots;
2. The location of the property to the Quarter/Quarter Section;
3. The new boundary lines for all affected lots shall be indicated by solid lines;
4. The original lot line that is proposed to be adjusted shall be indicated by a heavy broken line;
5. The area and dimensions of each lot prior to adjustment;
6. The area and dimensions of each lot following the proposed adjustment;
7. The location and dimensions of all structures/improvements existing upon the affected lots and the distance between the structures/improvements and the proposed lot/boundary line(s);
8. The original legal description of each affected property (before BLA) followed by the new separate legal description(s) for each parcel (after BLA), labeling them specifically as Parcel A, Parcel B etc.;
9. The location and dimensions of any drain field, easement and/or right-of-way existing within or adjacent to any affected lots;
10. The existing, and if applicable, proposed future method of sewage disposal for each affected lot.
