FOR IMMEDIATE RELEASE

The Colfax County Sheriff's Office would like to announce the new Online non-emergency self-reporting Portal. If you have been a victim of certain crimes and the details of your event meet the criteria, this portal will allow you to self-report the incident. To use this tool the crime must have occurred inside of the County of Colfax. Below is the website as well as a QR Code that can be scanned with your phone camera to access the portal directly. We are very excited to present this portal to Colfax County, as it will simplify the ability to report non-emergency calls for service. Instructions can be found at the website below.
