## PHONE SCAMS IN COLFAX COUNTY

The Colfax County Sheriff's Office has received reports of phone scams, specifically targeting elderly victims. The caller will identify themselves as a representative of a foundation or fundraiser, and request money. They will send the victim a FedEx box to have the money shipped to an address, and specifically ask for the money to be shipped in cash. Always be aware of unknown or different phone numbers that call you from cities that you typically do not receive phone calls from. Do not send cash money, bitcoin, or reloadable prepaid credit cards to anyone you do not know or have not 100 percent verified their identity. If you or someone you know is being victimized, please contact law enforcement immediately.
