Discussion regarding appointment to fill City Council Vacancy

Councilmember Buesgens requested this work session be scheduled to discuss the plan for the resolution appointing a council member. The council agreed additional questions would not be beneficial. Buesgens asked if the council wanted to discuss their top choices, or just vote. Mayor Schmitt clarified the goal for the council is to nominate one candidate that three of the members could agree on.

Mayor Schmitt suggested going through the six names (top candidates), asking the council if there were any additional names they wish to add. Councilmember Buesgens questioned if the council will discuss if there are tied votes, Mayor Schmitt indicated that would be permitted. Mayor Schmitt also indicated she will be explaining her reason for changing her original vote regarding Nick Novitsky.
