

## Report Preparation

### 321.1 PURPOSE AND SCOPE

Report preparation is a major part of each employee's job. The purpose of reports is to document sufficient information to refresh the employee's memory and to provide sufficient information for follow-up investigation and successful prosecution. Report writing is the subject of substantial formalized and on-the-job training.

#### 321.1.1 REPORT PREPARATION

Employees should ensure that their reports are sufficient for their purpose and reasonably free of errors prior to submission. It is the responsibility of the assigned employee to complete and submit all reports taken during the shift before going off-duty, unless permission to hold the report has been approved by a supervisor. Generally, reports requiring prompt follow-up action on active leads, or arrest reports where the suspect remains in custody should not be held.

Handwritten reports must be prepared legibly. If the report is not legible, the submitting employee will be required by the reviewing supervisor to promptly make corrections and resubmit the report. Employees who dictate reports shall use appropriate grammar, as content is not the responsibility of the typist. Employees who generate reports on computers are subject to all requirements of this policy.

All reports shall accurately reflect the identity of the persons involved, all pertinent information seen, heard or assimilated by any other sense and any actions taken. Employees shall not suppress, conceal or distort the facts of any reported incident nor shall any employee make a false report orally or in writing. Generally, the reporting employee's opinions should not be included in reports unless specifically identified as such.

### 321.2 REQUIRED REPORTING

Written reports are required in all of the following situations on the appropriate Department-approved form unless otherwise approved by a supervisor.

#### 321.2.1 CRIMINAL ACTIVITY

When a member responds to a call for service, or as a result of self-initiated activity becomes aware of any activity where a crime has occurred, the member shall document the incident regardless of whether a victim desires prosecution.

Activity to be documented in a written report includes:

- (a) All arrests
- (b) All felony crimes
- (c) All incidents involving violations of crimes or ordinances motivated by bias (Minn. Stat. § 626.5531)
- (d) Non-felony incidents involving threats or stalking behavior

#### **321.3 GENERAL POLICY OF EXPEDITIOUS REPORTING**

In general, all employees and supervisors shall act with promptness and efficiency in the preparation and processing of all reports. An incomplete report, unorganized reports or reports delayed without supervisory approval are not acceptable. Reports shall be processed according to established priorities or according to special priority necessary under exceptional circumstances.

##### **321.3.1 GENERAL POLICY OF HANDWRITTEN REPORTS**

Some incidents and report forms lend themselves to block print rather than typing. In general, the narrative portion of those reports where an arrest is made or when there is a long narrative should be typed or dictated.

Supervisors may require, with the foregoing general policy in mind, block printing or typing of reports of any nature for Department consistency.

##### **321.3.2 GENERAL USE OF OTHER HANDWRITTEN FORMS**

County, state and federal agency forms may be block printed as appropriate. In general, the form itself may make the requirement for typing apparent.

#### **321.4 REPORT CORRECTIONS**

Supervisors shall review reports for content and accuracy. If a correction is necessary, the reviewing supervisor should complete the Report Correction Form stating the reasons for rejection. The original report and the correction form should be returned to the reporting employee for correction as soon as practicable. It shall be the responsibility of the originating employee to ensure that any report returned for correction is processed in a timely manner.

#### **321.5 REPORT CHANGES OR ALTERATIONS**

Reports that have been approved by a supervisor and submitted to the Support Services for filing and distribution shall not be modified or altered except by way of a supplemental report. Reviewed reports that have not yet been submitted to the Support Services may be corrected or modified by the authoring employee only with the knowledge and authorization of the reviewing supervisor.

#### **321.6 FIREARM INJURY REPORTING FROM HEALTH PROFESSIONALS**

Members receiving a report from a health professional of a bullet or gunshot wound, powder burns or any other injury arising from, or caused by, the discharge of any gun, pistol or any other firearm shall thoroughly investigate the facts surrounding the incident (Minn. Stat. § 626.52, Subd. 2; Minn. Stat. § 626.553, Subd. 1).

The Support Services shall ensure that the report received from the health professional is forwarded to the commissioner of the Department of Health (Minn. Stat. § 626.53, Subd. 2). If the injury resulted from a hunting incident, the Support Services shall ensure that the findings of the investigation are forwarded to the commissioner of the Department of Natural Resources using the form provided by the commissioner (Minn. Stat. § 626.553, Subd. 1).

#### **321.7 CASE CLEARING CODING**

**Cleared by Arrest** – An offense is cleared by arrest, or solved for crime reporting purposes, when at least one person is (1) arrested, (2) charged with the commission of the offense, and (3) turned over to the court for prosecution (whether following arrest, court summons, or police notice).

Although it makes no physical arrest, an agency can claim an offense is cleared by arrest when the offender is a person under 18 years of age and is cited to appear in a juvenile court or before other juvenile authorities. (Uniform Crime Reporting Handbook, 2004)

Examples- Issue a misdemeanor ticket and you can end the report with "Cleared by Arrest." You make a GM DWI arrest and case is forwarded to the city attorney for a complaint. Only the investigator would issue a "cleared by arrest" in their supplement once the complaint is signed and sent to court. Same applies to felony charges.

**Unfounded** – An investigation has determined that the reported crime never occurred.

**Inactive** – An investigation was completed and all reasonable leads have been exhausted and there is no additional information that would allow the officer to clear the case by arrest.

**Exceptionally Cleared** – In certain situations, law enforcement is not able to follow the three steps outlined under "Cleared by Arrest" to clear offenses known to them. Often they have exhausted all leads and have done everything possible in order to clear a case. If agencies can answer all of the following questions in the

affirmative, they can clear the offense for the purpose of reporting to UCR. (Uniform Crime Reporting Handbook, 2004)

Examples- Victim refuses to cooperate with prosecution, a parking violator comes into compliance (Over 6 hour parking), person who committed the offense is deceased, a juvenile committed a minor offense, but law enforcement does not charge the case after notifying parents.
