

City of Columbia Heights Welcome Packet

Dear Resident,

We would like to welcome you to the City of Columbia Heights, MN.

Right across the border from NE Minneapolis, Columbia Heights is the gateway to the North Metro. The City offers several shopping and recreational opportunities with 16 parks, three lakes, a softball complex, miles of walking paths, a thriving Central Ave business district with a brand new City Hall, and proximity to downtown Minneapolis and St. Paul. Easy access to the Interstate Highway system means you can get most places in the Metro Area within 25 minutes. We have a state-of-the-art library, an internationally award-winning police force, great schools, and an active community.

With a population of 21,000, Columbia Heights is the southern-most city of Anoka County, bordering Hennepin County to the south and Ramsey County to the east. It combines big-city convenience with a small-town feel, with numerous service, civic, and religious organizations that provide ample opportunities for community involvement, volunteering, and connection. Our citizens are highly engaged and we encourage you to get involved, too!

In 2021, the City celebrated its 100th anniversary. In 2016, Columbia Heights was one of 10 cities in the country recognized by the National Civic League as an All-America City.

Within this packet you'll find useful contact numbers and emails, new-resident tips, and other information about Columbia Heights.

If you have any questions, or need additional information, please call City Hall at (763) 706-3600, or visit us online at columbiaheightsmn.gov. We hope this information packet gives you a good place to start.

Welcome to the Heights!

Sincerely,

Columbia Heights staff, City Council members, and mayor

City Government

The City of Columbia Heights is governed by a five-member council, consisting of a mayor and four council members elected at large on a nonpartisan basis. The mayor serves a two-year term, with councilmembers serving staggered, four-year terms. Elections are held in even-numbered years.

Columbia Heights is a charter city. The City Charter determines the procedures of city government in accordance with state statutes and the Minnesota State Constitution using guidelines that can only be changed or approved with a unanimous vote by the City Council or majority vote through a citywide referendum. Under this charter, the City has adopted the council-manager form of government. The City Council appoints the City Manager, who is the chief administrative officer for the City and holds executive decision-making power for all departments except for police. The Charter gives the mayor authority over the Police Department.

For general questions about the City Council, Mayor, City Council meetings, or City elections, please contact City Clerk Sara Ion at 763-706-3611.

City Council meetings take place at City Hall (3989 Central Ave NE) on the second and fourth Monday of every month at 6 pm. These meetings are open to the public and broadcast live on Government Access Cable Channel 16 in Columbia Heights and on our website at columbiaheightsmn.gov/streaming. They may be viewed anytime online.

Residential Resources - Renters

Information and resources for both tenants and landlords may be found at columbiaheightsmn.gov/rent

WHO IS A TENANT? WHAT ARE THEIR RIGHTS?

A tenant is a person or entity who temporarily occupies or possesses real estate that belongs to a landlord. According to State Law, caretakers and other individuals who exchange their services (instead of money) for rent are legally considered tenants. As such, these individuals are entitled to all rights and remedies provided to tenants by law. Tenants in federal housing and other forms of subsidized housing have additional rights under federal law. According to Minnesota law, when the owner of a house or apartment agrees to give to someone else—for money or labor—the temporary use of that place, the two have entered into a legally binding rental contract. It doesn't matter if the agreement is oral or in writing. It is an agreement to rent, and that means some of its most important terms are automatically defined by law.

TENANT AND LANDLORD RESPONSIBILITIES

Tenants and landlords should understand their rights and responsibilities and keep an open line of communication. They are encouraged to read *Landlords and Tenants: Rights and Responsibilities*, a free handbook from the Minnesota Attorney General's Office. It spells out state statute requirements and expectations for renters and rental property owners. Minnesota Statutes § 504B.181, subd. 2(b) requires landlords to notify residential tenants that this handbook is available to them. It is the landlord's responsibility to ensure safe, sanitary conditions for the rental property by keeping the property up to code. This does not mean the tenants are free of obligation. Renters are expected to behave lawfully in a way that complies with community standards, respect the property and pay for any damages caused to the property beyond normal wear and tear, avoid making structural alterations to the property without the landlord's permission, pay rent on time, and notify landlords three days in advance before vacating the property between Nov 15 and April 15.

RENTAL MAINTENANCE

Minnesota law requires landlords to keep units in reasonable repair. This requirement cannot be waived. However, the landlord and the tenant can agree the tenant will do certain specific repairs or maintenance if the agreement is in writing and easy to notice, and the tenant receives something adequate in return (for example, a rent reduction or payment from the landlord for the work).

RENTAL INSPECTIONS AND LICENSES

The Columbia Heights Fire Department enforces the City's Property Maintenance Code and licenses rental property under the code. This code was adopted in 1989 to provide minimum maintenance standards of existing properties in the City. Potential landlords should review the City's licensing requirements. A property cannot be occupied until a license application is approved by the City Council and the license is issued. **If you have further questions about this or any other rental inspection details, please call Assistant Fire Chief Dan O'Brien at 763-706-8154 or email dobrien@columbiaheightsmn.gov.**

Residential Resources - Lawns

Find information and resources for lawn and gardens at columbiaheightsmn.gov/lawns

No Mow May Helps Preserve Hibernating Pollinator Habitats

Keeping lawns undisturbed until June helps ensure vital pollinators have time to thaw out and reemerge for summer after the first bloom.

In the spring of 2022, the City Council voted to pass a resolution allowing residents to keep from mowing their lawns until June. The resolution applies to all years moving forward. The No Mow May initiative is part of an ongoing international effort to preserve pollinator habitats. Maintenance Code regulates the length of grass in yards but inspectors will not enforce the rules until June. The City will have yard signs for sale for \$15 at City Hall for those who participate (image on right), but the sign is not necessary. To order a sign or get more info, visit columbiaheightsmn.gov/pollinators.

City Renews Mayors' Monarch Pledge in 2023

Mayors and other heads of local and tribal government take action annually to help save the monarch butterfly, whose population is nearly wiped out. The National Wildlife Federation's Mayors' Monarch Pledge encourages communities to create habitat for the monarch butterfly and pollinators and educate residents about how they can make a difference. Columbia Heights committed to the pledge for the third time in 2023. Volunteers are wanted. Email monarch@columbiaheightsmn.gov.

Bark blanding is common with EAB infestations.

Emerald Ash Borer Alert! Take Action ASAP

The emerald ash borer problem in Columbia Heights is now critical and not going away. Ash trees are dying in all areas of the City and decisions need to be made ASAP. Property owners are responsible for the management of trees on their property and should be aware that all untreated ash trees will die, if they haven't already, and need to be removed. But a bulk discount on EAB treatment for residents is still available through Rainbow Treecare (call 952-922-3810 or visit

rainbowtreecare.com). Treatment is highly effective and less expensive than removal, but it must begin before too much damage occurs in order to be effective. This is no longer an option for most ash trees. For tree removal, the City recommends seeking multiple bids from at least three licensed professionals. Find a list of local licensed contractors at columbiaheightsmn.gov/trees. No City funding is available for removals. As the situation worsens, the City may order removal of dead or diseased trees on private property in the interest of public safety.

Ash trees on your property? Visit columbiaheightsmn.gov/EAB. For specific questions or for free consultation, call the City Forester at 763-706-3722 or email lgenter@columbiaheightsmn.gov

Additional Reminders for Residents

HYDRANT FLUSHING

Fire hydrant flushing takes place in April and early May. Hydrants will be flushed from 7 am to 3 pm. It's necessary to flush all City hydrants to ensure they're in good working condition and to clear sediment. As a result of the flushing you may notice some temporary discoloration of the water. Flush your residential system by running cold water for 10 to 20 minutes. Avoid washing clothes while hydrants are being flushed in your area, as discolored water may stain. Some localized flushing may be necessary throughout the year.

WATER OR SEWER CONCERNS?

Call Public Works before calling a contractor:

- Weekdays: 7 am-3:30 pm (763) 706-3700
- After-hours: (763) 427-1212 or 911

Property owners are responsible for the water service and sewer service from the house or structure to the main in the street, including the connection to the City main.

PREVENT SEWER BACKUPS

Over time, homeowners may experience problems such as collapsed pipes or tree roots growing into service lines that can cause stoppages with their sewer service lines. Also, pouring oils, fats, and grease down your drains can contribute to clogging. If your sewer or drains back up, it may be time for professional service. Before hiring a contractor, call Public Works at 763-706-3700. They will check the City's mainline condition in the street for a possible blockage. This service is free.

ARM TRUCK COLLECTION AND REFUSE PADS

Haulers use trucks with mechanical arms to collect trash and recycling. Place your cart out where the arm can reach it (though not in the street). Allow space between carts. Refuse pads are a convenient way to accomplish this. Contact publicworks@columbiaheightsmn.gov for specs and pricing on pad installations.

CURFEW

Columbia Heights City Ordinance sets curfew limits for youth 17 and younger. Curfew for children 15 and under is 10 pm on weekdays and 11 pm Friday and Saturday. Curfew for 16- and 17-year-olds is 11 pm on weekdays and midnight Friday and Saturday. All curfews are enforced through 5 am.

SAVE HEATING COSTS WITH HOME ENERGY SQUAD

Make sure your home is as energy efficient as possible with a Home Energy Squad (HES) visit. An Energy Auditor will inspect your house and create a customized report with recommendations. They will also provide instant energy savings by installing free materials like LED lights, weather stripping, and high efficiency water fixtures. Plus, Columbia Heights residents get a discounted rate for HES visits. Visit columbiaheightsmn.gov/homeenergy for more info. Call 651-328-6220 to book a visit.

For Businesses

Find information and resources for businesses and business owners at columbiaheightsmn.gov/business.

COMMUNITY DEVELOPMENT

The City's Community Development Department is responsible for the long-range planning of City development and zoning, enforcement of land-use control ordinances and Building Code, administration of permits and licenses, coordination of economic development activities, and assemblage of the Comprehensive Plan. Contact CD staff by calling 763-706-3670 or visiting 3989 Central Ave NE.

BUSINESS LICENSURES

The City of Columbia Heights requires certain individuals and business establishments to apply for licensure. Examples include, but are not limited to: delis, bakeries, salons, barber shops, butcher shops, entertainment venues, liquor stores, grocery stores, gas stations, food trucks, and restaurants. Licensure may be required by Anoka County and/or the State of Minnesota in addition to or in lieu of a City license. Please verify with both organizations respectively if additional licensure is required. Call 763-706-3670 for questions about City licensure. Call 763-324-4000 for Anoka County licensures. Licenses may take up to five weeks to process.

OPEN TO BUSINESS

Anoka County partners with Metropolitan Consortium of Community Developers (MCCD) to offer the Open to Business technical assistance program. This program provides free and confidential one-on-one assistance customized to meet the specific needs of each entrepreneur in the creation, growth, and success of their business. Call 612-789-7337 or email info@mccdmn.org to be connected to an advisor.

FACADE IMPROVEMENT AND FIRE SUPPRESSION GRANT PROGRAMS

Funded by the Economic Development Authority in collaboration with the Police and Community Development departments, the Facade Improvement program encourages businesses and commercial property owners within the City's central business district to revitalize, rehabilitate, and restore exterior storefronts. The program reimburses property owners for eligible improvements up to 50 percent of the total project cost for a maximum reimbursement of \$5,000. Applicants must be an owner of a commercial property, a commercial tenant with approval from the property owner(s), or a 501(c)(3) organization in the City of Columbia Heights, located along 37th Ave NE, 37th Place NE, 40th Ave NE, University Ave NE, or Central Ave NE. To apply, visit columbiaheightsmn.gov/facade or visit City Hall at 3989 Central Ave NE, Columbia Heights.

FIRE SUPPRESSION GRANT

Many older commercial structures throughout the City lack basic fire suppression systems or infrastructure for said systems, but mandatory improvements are costly, making it difficult for small businesses to enter and use many of the City's commercial spaces. The Fire Suppression Grant program, seeks to assist businesses and property owners in partially alleviating these costs. The grant reimburses businesses or commercial property owners for eligible improvements up to fifty percent of the total project cost, for a maximum reimbursement of \$30,000. Applications can be found at columbiaheightsmn.gov/suppression.

Boards and Commissions

Citizen involvement is vital to the progress of the City and quality and responsiveness of public decision-making. Serving on a board or commission is a great way to become actively involved in city government and influence the policies, actions and progress of our community.

Members of boards and commissions are volunteer residents appointed by the City Council, except for Charter Commission members, who are appointed by the chief judge of the 10th Judicial District. Expiring Board and Commission terms are reviewed annually in the spring. If you are interested in serving on a board or commission please complete an application, and return it to the City Clerk.

Additional Info for Recycling and Refuse

New homeowners must sign up for refuse service at columbiaheightsmn.gov/refuse or by visiting City Hall, 3989 Central Ave NE, Mon-Fri, 8 am-4:30 pm. Walters and Haul Star collection are the service providers for Columbia Heights. To get your trash and recycling schedule, call 763-780-8464 or visit waltersrecycling.com. Find rates at columbiaheightsmn.gov/refuserates.

TRASH COLLECTION

Three container sizes are offered:

- 30 Gallon Limited service with Christmas tree and (1) appliance per year
- 64 Gallon Limited service with Christmas tree and (1) appliance per year
- 96 Gallon Full service with extra bags, Christmas tree, (1) appliance per year

All trash collections are weekly. Recycling collections are every other week, compost collection is every week in the summertime and every other week in the winter, and yard-waste collection is seasonal.

RECYCLING

Recycling services are automatically included with trash service. Recycling should be placed in the same location as refuse for collection. Recycling is collected every other week on the same day as refuse. Please do not dispose of your recyclables in a plastic bag. Plastic bags and other film plastics clog the recycling system and break the machines. Plastic bags and film plastic can be recycled, but they must be brought into the Recycling Center separate from all other recycling. Same applies for white, hard Styrofoam. Film plastic and Styrofoam should never go into your recycling cart.

ORGANICS AND YARD WASTE

Yard waste consisting of leaves, grass clippings, acorns, garden waste, pine cones, needles, soft-bodied green plants, weeds, and other non-woody yard waste can be mixed together for collection. Yard Waste collection begins in April after the snow cover melts and ends in late November. Woody tree waste can be brought to the Anoka County site for a fee. Use paper bags. Personal containers will not be emptied by the hauler. Be sure to bundle the brush, or order a City compost cart. Find more about yard waste service at columbiaheightsmn.gov/yardwaste. Compost carts can be ordered using the refuse support form at columbiaheightsmn.gov/refusesupport. You can compost delivery style pizza boxes, paper egg cartons, paper towels and any other wet or food-soiled paper, organic food products (not including grease, oil, or gum), BPI certified compostable utensils, house plants and flowers, tea bags (remove staple), and non-treated wood items such as chopsticks, popsicle sticks, and tooth picks.

Streets and Parking

STREET DEPARTMENT

The Street Department maintains 70 miles of city streets. This department also trims the trees over street right-of-ways and ensures catch basins are cleared of snow and free of debris.

WINTER PARKING RESTRICTIONS

To ensure that plows can effectively clear all streets of snow, no vehicle may be parked on the street after a snowfall of more than three inches (until snow is cleared), or any day between 2 am and 6 am, Nov 15 through March 15, without a parking permit. Permits are void when 3.5 inches of snow has fallen on the roadway. Parking is allowed only after the snow has been cleared from curb-to-curb.

Permits to park overnight between Nov 15 and March 15 are issued under certain conditions. The permit form is available at the Police Department, 825 41st Ave NE, or you can find it online. Residents in need of a temporary parking permit should come to the police department during normal business hours. Please call 763-706-8100 for more information.

STREET SWEEPING

The City conducts two rounds of citywide street sweeping in the spring, and two rounds in the fall. Please don't rake leaves into the street. They clog the machines, block drains, and pollute waterways.

REPORT A POTHOLE

To report a pothole or other concern, fill out our Report a Concern form at columbiaheightsmn.gov/concern, or call 763-706-3700.

Submit Nominations for 2024 Outstanding Citizen

Do you know of someone making a positive impact in our community? Someone who's gone unrecognized for the great things they've done to make the City a better place? Every year, Columbia Heights seeks nominations for an Outstanding Citizen. If you have someone in mind, please visit columbiaheightsmn.gov/outstanding to print out a nomination form, or stop by City Hall to pick one up. Completed nomination forms can

be dropped off at City Hall, mailed back to Will Rottler at 3989 Central Ave NE, or emailed to wrotter@columbiaheightsmn.gov. Nominations for 2024 are accepted until April 29.

Please call 763-706-3614 if you have specific questions. Last year's winner of the award was Veronica Johnson. For a full list of winners dating back to 1976, visit columbiaheightsmn.gov/outstanding.

Submit Nominations for 2024 Business of the Year

The City's Business of the Year nomination program works similarly to the City's annual Outstanding Citizen of the Year Award. Anyone not on the Economic Development Authority Commission may nominate a business of their choice. The EDA will review all nominations and make the final selection in April. The winning business will be highlighted in the City newsletter, receive a plaque at a City Council meeting, and take part in the an-

nual Jamboree Parade. Selections will be based on multiple criteria such as community involvement, major accomplishments, and history with the City. Nomination forms may be found at columbiaheightsmn.gov/business. Completed nominations may be emailed to mforney@columbiaheightsmn.gov or brought to the City Hall Community Development Department at 3989 Central Ave NE. The nomination deadline is March 25.

Pet Care Reminders and Ordinance Requirements

Pet ownership is a rewarding experience, but if it's not taken seriously, it can create neighborly tensions and violate City Ordinance. The following are some reminders of the City's rules and expectations for pet ownership:

- **Pick-Up After Your Pets:** We know it's gross to pick up pet waste, but it's even grosser not to. In fact, it's a health risk to both pets and people, especially children. Pet waste is full of bacteria that can make humans and animals sick. This gets into water runoff untreated and pollutes nearby waterways. On top of that, it's also an eyesore and absolutely no fun to step in. **Picking up after your pets is the neighborly thing to do!**

- **Keep Pets On Leash:** City Code requires that pets remain on leash at all times while in parks and other public spaces, unless those spaces are designated off-leash. The nearest off-leash dog park is Columbia Park at 700 St. Anthony Parkway in Minneapolis. Information on purchasing a permit to use this park can be obtained by calling the Minneapolis Park Board at 612-230-6400 or by visiting their website minneapolismn.gov/resident-services/animals-pets/

- **Maintain Proper ID:** Please make sure that up-to-date vaccination and owner information is available on your pet's collar. Columbia Heights does not require licensing for cats and dogs, but it still requires vaccination and ownership identification.
- **Be Mindful of Pet Number Caps:** No household or dwelling unit may have more than three dogs or more than three cats, or a combination of more than five animals exceeding six months of age in the family dwelling unit or on the family premises.
- **Nuisance Prevention:** Owners or custodians of any animal in the City must prevent the animal from being a public nuisance, including habitual or frequent barking or crying to the annoyance of others. The animals must not be allowed to threaten or harass any person not on the property of the owner or custodian of the animal. The animals must not be allowed to defile or destroy any public or private property not belonging to the owner or custodian of the animal. The animals must not be allowed to chase vehicles or run at-large in the City.

The pet ordinance can be found at columbiaheightsmn.gov/citycode.

2024 OUTSTANDING CITIZEN OF THE YEAR AWARD NOMINATION FORM

Nominations are being accepted for the 48th Columbia Heights Outstanding Citizen Award, formerly called the Humanitarian of the Year Award. Only one person in each age category will be selected, but one person can submit multiple nominations. We are requesting nominations for 1) an adult resident and/or 2) a youth resident, age 14-18. We are particularly seeking people who volunteer their time outside of paid work hours, though that is not a requirement. Award recipients will be honored with a reception at City Hall, a spot in the Jamboree Parade, an honorary plaque, and an article in the City Newsletter. **Applications must be received by April 29, 2024:**
