BE BACK TO SCHOOL READY

Back-to-School Vaccines are available by appointment at the Newton County Health Department.

There are two forms required by K-12 schools in Georgia (3231 and 3300). The 3231 form is an immunization certificate that is issued when your child is up to date on all required vaccines. The 3300 form is a hearing, vision, dental, and nutrition screening.

Your child must have a current, valid Form 3231 at all times in order to attend school. Form 3300 documents your child's hearing, vision, dental, and nutrition screening. It is only required when your child enrolls for the first time in any school in Georgia

Newton County School System Open Houses

High Schools

Tuesday July 25 5 – 7 PM

Middle School

Wednesday July 26 5 – 7 PM

Elementary Schools

Thursday July 27 5 – 7 PM

SUPPORT YOUR STUDENT'S SUCCESS

1. Help your student be familiar with their classroom.

The start of school can be very stressful. Meeting their teacher, seeing their classroom and where they will sit, meeting other students helps lessen the stress for your student.

2. Meet and build a relationship with the teacher. This lets the teacher know you are engaged and support your child's success.

3. Learn about their school day and year so that you can support their studies.

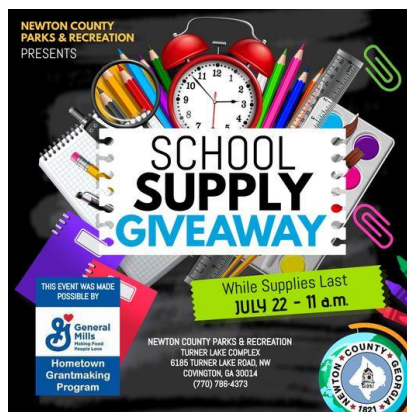

Enroll in Infinite Campus

<http://newton.k12.ga.us/campus/portal/parents/newton.jsp>

This is best way to receive information from the school system.

Regularly check your email for communication about your students
