Annual Minstrel Show 'On Stage'

by Joe Schrader

Doors will open this week on Thursday and Friday at the Joseph Stripe Auditorium, 7:30 p.m., for this year's Annual Rotary Club Minstrel Show. Theme for this year's program will be "Western in Character", featuring Rotarian performers and other community "acting and singing stars".

Tickets for the performances, scheduled to start at 8:15 p.m. are \$3.00 for adults and \$1.50 for children under 12.

Rotarians guarantee a "fun" evening for everyone attending. Although tickets will be available at the door, advance tickets may be purchased from any Rotarian, probably a good idea since previous minstrel shows have been performed before overflow audiences.

Sheriff Dept. "On The Run"

This past Monday night, the Sheriff's Dept. investigated two breaking & enterings and a stolen car complaint, and last week along investigated some 120 other complaints.

According to Undersheriff Joe White, B&E's were reported at Northern Pine Associates, Inc., downtown and the Eagles Lodge. The City Police investigated another B&E at Bill's Laundry the same night.

Investigation is continuing on all three incidents, although there is speculation that stolen a number of items, including money, are missing in all three incidents.

The Sheriff's Dept. also recovered a stolen vehicle at 7:16 a.m. the same morning, some half-hour after it was reported stolen by Craig Stewart from his Chestnut St. residence. It was apparently abandoned on Barker Lake Road.

Flu Vaccine For Senior Citizens

On November 8th from 1:00-3:00 p.m. the Crawford County Health Department will sponsor a Flu Vaccine Clinic at Ausagra Acres Senior Citizen Center, 308 Lawndale. If interested call 348-9314.

Benefit Dinner for Jeff Osga

St. Mary's Altar Society will be sponsoring a benefit dinner for Jeff Osga at the St. Mary's Family Center on Friday, November 3rd from 5 p.m. to 8 p.m.

There will be baked Ham, mashed potatoes, salad bar, desert, coffee, tea and milk. Price will be \$3.00 for adults and children under 12 \$1.00.

New C.B. Club Formed

A newly formed C.B. Club known as the Crawford County Helping Hands, a non-profit organization will be holding an open coffee break Sunday, October 29th from 12 noon to 5:00 p.m. at the Frederic Community Center in Frederic, next to the Fire Hall. We will have drawings for prizes. This is open to the public.

Youth, Darkness Clash on Roads

Vigilance by drivers after school hours following the switch to Eastern Standard time at 2 a.m. Sunday, October 29th is urged by Automobile Club of Michigan to help curb this year's 46 percent rise in 10 to 19-year-old pedestrian traffic deaths.

"Through August, there have been 14 more 10 to 19-year-olds killed by cars than over the same period in 1977, when 24 died," stated Arthur C. Gibson, Auto Club Safety and Traffic Engineering manager.

Darkness will arrive an hour sooner beginning Oct. 29, and Gibson urges late-

afternoon motorists to follow these rules:

-Watch for signs of youths at play including bicycles, dogs and playgrounds.

-Keep proper distance between vehicles and reduce speeds at dusk.

-Do not look directly into oncoming headlights. Focus on the center of the traffic lane, keeping the oncoming lights in the motorist's peripheral vision.

-Keep windows clean and headlights and tail-lights working to ensure maximum visibility.

"Parents can help cut fatalities," said Gibson.

School Bus Involved In Mishap

By Joe Schrader

A Crawford-AuSable School bus, transporting students to Kirtland Community College, was involved in a crash last Thursday just before noon that caused some \$3,000 to \$5,000 in damage to the vehicle. Fortunately, other than some bumps and bruises, no injuries occurred in the mishap which occurred at the intersection of Old-27 North and North Down River Rd.

According to school sources, driver of the bus, Jim Walsh, had his attention diverted due to student activity within the bus and rammed into the rear of a dump truck apparently at rest on Old-27 in front of him. A witness to the accident credited Walsh with averting a more serious collision since traffic at the intersection was heavy at the time. (Joe Schrader photo)

Robert Bovee Assumes Juvenile Officer Position

by Joe Schrader

Probate Judge Emil Kraus recently announced the appointment of Robert F. Bovee a Grayling resident, to the position of Juvenile Officer for Crawford County, a post recently vacated by the resignation of George W. Erickson.

The official appointment was made by Michigan Governor William Milliken in a letter to Bovee dated October 12th. "I have every confidence that you will derive personal satisfaction from this important position and that the State of Michigan will benefit from your background and experience,"

commented the Governor in making the official announcement.

Bovee, who took office the day of his appointment by the Governor, will report directly to the County Probate Judge. He retired after the last school year from the Crawford - AuSable School system after spending 23 years there as a teacher and student counselor, the latter post he filled for a number of years prior to his retirement. He serves presently as President of the Board of Trustees at Kirtland Community College.

Generally, the Juvenile Officer position involves the in-

vestigation of juvenile complaints for the Probate Judge, the reviewing of family responsibility in adoption procedures and hearing of traffic complaints for juveniles, just to name a few of the job responsibilities.

Bovee holds a B.S. Degree in Math and a Masters Degree in Counseling and Guidance from Central Michigan University. He also attended numerous courses and workshops at Michigan State University, Ferris State College, the University of Michigan, Rensselaer Polytechnic Institute and Stanford University.

LeRoy Christian Honored At Homecoming Game

By Joe Schrader

LeRoy H. Christian, longtime Music Director and instructor at the Grayling Middle School, will be retiring at the end of the 1978-79 school year. Mr. Christian spent the past 33 years here in Grayling, capping a career in education that has spanned the past 45 years. He was honored during halftime at Saturday's Homecoming Game and is shown here receiving a plaque recognizing his long and loyal service from High School Band Drum Major, Mary Stewart.

Mr. Christian has a B.A. Degree from Northern Mich. College, Marquette, and holds a Masters Degree in Arts & Music from the University of Michigan. His teaching career began in Baraga, Michigan, where he spent 2 years, then he moved on to Gladstone where he taught for 5 1/2 years. He served a 3 1/2 year hitch in the Army after that and taught for awhile in Arlington Heights, Ill., before moving to Grayling.

No telling how many students have benefited from

his musical prowess over the years but most certainly it's in the thousands.

Mr. Christian resides with his wife Loretta at 111 Dale St. They have four children, 3 girls and a boy. (Photo courtesy of G.H.S. students)

Yesterdays Energy Today

Grayling will host a wood burning workshop on Monday, October 30 at the Grayling High School Cafeteria. The program is entitled "Yesterdays Energy Today" and will be conducted by Mr. Robert Ojala, County Extension Director for Oscoda County.

As we are going into another winter more families are turning to wood to help heat their homes and lower utility bills. This program is designed to bring you very important information that every woodburner should know.

Among the topics being presented are: Types of wood stoves; how to install your stove safely; where and how to get the wood you need and how to manage your own woodlot for firewood.

Several wood stove dealers will be on hand to discuss the benefits of their stoves.

Through their cooperation free refreshments will be available.

This program is being presented by the Crawford County Energy Coordinator in a continuing effort to bring you the information you requested.

Again, that's Monday, October 30th at 7:00 at the Grayling High School Cafeteria. Free refreshments and lots of information. So, you'll come.

Friends, neighbors, relatives, business associates and prominent democratic leaders gathered together last Saturday night at the Holiday Inn to honor Lawrence "Bud" Hunter, who will retire as Register of Deeds, a post he has held here in Crawford County the past 27 1/2 years. In announcing his decision to step down after many years of dedicated service to the County, Hunter commented, "I feel I need more time to fish, hunt and just relax". His resignation reluctantly accepted by County Officials and will take effect on December 31st.

Keynote speaker at the retirement dinner was Don Reigle, U.S. Senator from Flint, who commented that "Bud epitomizes what public service is all about. We all should pay tribute to him for three decades of dedicated commitment and service to the residents of Crawford County. It's just too bad we can't turn back the clock so he could start all over again."

"Bud", as he is more commonly known throughout the county, was first elected as Register of Deeds in the 1952 county election and has conducted successful re-election campaigns ever since. That's quite an accomplishment when you consider that Crawford Co. historically has been a Republican-oriented voting community. Prior to winning office in 1952, Bud was appointed to fill a vacancy as Deputy County Clerk, a post he served for 2 1/2 years.

Prior to becoming a public servant, Bud worked for the County Road Commission for 10 years, a background he attributes extremely helpful in making the adjustment in a position he termed "an extremely difficult one, especially the first year." Bud arrived first in Grayling from Jackson in 1933 with the Civilian Conservation Corps and he's been here ever since.

The fact is that our record system here in Crawford County is second to none." See Honored on page 8

Annual Bazaar

United Methodist Women will be holding their Annual Bazaar Nov. 3rd from 10:00 a.m. to 5:00 p.m. Luncheon will be from 11:00 a.m. to 2:00 p.m. at Michelson Church.

Services Change At St. Francis

Because of the visit of the Rt. Rev. H. Irving Mayson, Suffragan Bishop of the Diocese of Michigan, our services at St. Francis Episcopal Church on Sunday, October 29, 1978 will be held at 4:00 p.m.

The service will be preceded by a chicken barbeque at 2:00 p.m. There will be no morning services.

REIGNS OVER HOMECOMING—Shelly Fick, daughter of Mr. and Mrs. Chuck Fick, reigned majestically over this past week's Homecoming at Grayling High School. She was elected Queen by her classmates while Spencer "Skip" Olsen was named Homecoming King. He is the son of Mr. and Mrs. George Olsen of Grayling. Both Shelly and Skip are Grayling High Seniors. Other King & Queen candidates are shown here, to the left and behind Shelly, and they include front row (left to right): Sue Burr, Ann Kelly and Laurie Madill. Back row (left to right): Scott Norman, Curt Hanson, Jeff Parkinson. Continuing on, Sue Nicholas and Bill Weaver, were Jr. Class Representatives. Kelly Van Nuck and John Juntila, Sophomore Class Representatives and Jamie Radebaugh and Sue Shively, Freshmen Reps. The entire group, led by this year's King & Queen reigned over the Homecoming Dance held at the High School Saturday evening. (Photo courtesy of G.H.S. students)

Commerce Head Keynote Speaker "Tourism Theme" Featured at Annual Chamber Dinner

by Joe Schrader

"If you get the impression I'm bullish about the tourist industry in Michigan - you're right." That was the concluding statement expressed by Keith Molin, Director of the Michigan Dept. of Commerce, keynote speaker at this year's Annual Chamber of Commerce Dinner held last week at the Grayling Red Barn.

A packed-house crowd of over 200 attended the func-

tion, one of the area's most popular annual fall attractions. According to Walt Nowak, Chamber Manager and Toastmaster for the occasion, attendance this year exceeded 1977 by a sizeable amount.

Molin's address focused around tourism in Michigan and its impact on the state's economy. He pointed out that statistics reveal that tourism ranks as the state's third largest industry. "Only

heavy manufacturing and that's mostly auto-related and agriculture outshine tourism in terms of dollars pumped into Michigan's economy. Last year travelers spent \$4.2 billion - that's billion - on lodging, sight-seeing, meals, etc.," he emphasized.

Other significant points featured throughout Molin's message included the following:

—The tourist industry is the only industry that puts money into the state but only takes a little bit back.

—The \$4.2 billion that travelers spend in Michigan each year grows to \$7.5 billion when "spin-off" expenditure is included. See Chamber on page 2

County Budget Hearing Oct. 27

The Public Hearing on the 1978 Crawford County Budget will be held Friday, October 27, 1978, starting at 7:30 p.m. in the Crawford County Building. Copies of the budget are available for inspection prior to the hearing at the office of the County Clerk.

Warning

Inactive Duty Training will be conducted by units of Michigan Air National Guard during the period 25-28, 31 Oct and 1-5 Nov 1978.

The Air to Ground Range which is located east of Guthrie Lake and north of County Road 612, will be in use during this period.

This range will be closed during the above dates and all persons are warned to stay out of this area.

New Banking Hours At Mini-Mall Branch

Starting Saturday, November 4th the lobby of the Mini-Mall Branch of the Grayling State Bank will be open every Saturday from 10 a.m. to 3 p.m. with an extra teller.

We hope this will make banking for our customers more convenient.

Collect For UNICEF

United Methodist Youth Fellowship will be collecting for UNICEF on Sunday evening, October 29th.

This is the Final Plea For Contributions to the Red Cross October Fund Drive!

In this space, for the last four weeks, we have tried to explain the major vital humanitarian services of American Red Cross. Hoping thereby to clearly establish the need for these services to folks of Crawford County and justify your support so that sufficient money will be available to continue these services to the community in the coming year, and again, hopefully to provide for some expansion of those vital services.

Whether we have been successful or whether we have failed will be determined by how close we come to our 1979 Fiscal Goal of \$5000, when all the contributions are counted up.

If you have not sent your contribution yet, there are five days left to send a check and become one of the Good Neighbors who do support American Red Cross financially and make these vital humanitarian services possible.

There are other Red Cross services rendered to this community of which, so far, nothing has been said, yet they are of equal importance.

First Aid Training, Cardiac Pulmonary Resuscitation Training (CPR), Water Safety Training, Health and

Nursing home care training, are just as vital in their field as the Blood Service, Immediate Disaster Assistance and Service to Military Families.

Did it occur to you that if you had to have an ambulance in a medical or accident emergency that the odds are ten to one the Medical Technicians operating the ambulance were trained by Red Cross Volunteer Instructors?

Do you realize that the odds are ten to one that the Volunteer Firemen who come if you have a fire have been trained in First Aid and CPR procedures by Red Cross Volunteer Instructors?

As was said in the first of these appeals: "American Red Cross is not a "Charity" organization!

"American Red Cross is a "Service" organization! and,

"American Red Cross is the "Only" organization that provides these vital services!"

If you have not already sent your contribution, won't you please do your share, and send a check today to: Crawford County Chapter/American Red Cross, RR#3, Box 3162, Grayling, MI 49738.

JV & Frosh Squads Win

Hurons Spoil Viking Homecoming

By Joe Schrader
Part of Grayling High's Homecoming Celebration was tarnished last Saturday afternoon when the Rogers City Hurons came into town and pretty much dominated the Vikings, 20-0. "Our biggest prob-

lem offensively is that we just couldn't move the ball on the ground," commented Head Coach Klinger after the game. Two costly turnovers by the Vikings led to Huron touchdowns as well.

The first half of the contest was pretty much a standoff and ended scoreless. The Rogers City squad started to assert itself in the second stanza, however, and a 14-yard scoring aerial from Brege to Breshowski with 6:34 remaining in the half, plus a 2-point conversion put the Hurons on the scoreboard, 8-0. The score followed a Vike fumble recovered by Rogers City. With only seconds remaining in the half, a Tobin pass was

intercepted by Rogers City and returned for a second TD. The 2-point conversion attempt failed and the Vikes trailed 14-0 at the half.

The Grayling High Marching Band, in its second half-time performance of the year, and this year under the direction of Dave Bennett, conducted an entertaining half-time show following a routine by the Grayling Vikettes directed by Joanne Ferguson. LeRoy Christian was also honored at the half. The Middle School Band Director will be stepping down after this school year after 33 years with the School system.

With 7:10 remaining in the 3rd quarter, Rogers City increased its lead to 20-0 with a TD, the 2-point conversion attempt was no good and the Vikings were looking at a 20-point deficit. The only Vike scoring of the day came late in the 3rd quarter when Todd Dunkley plunged to paydirt from 3 yards out and a Skip Olsen to Billy Lucksted pass netted two more. No further scoring took place and the Hurons headed north with a satisfying 20-0 victory.

"Our defensive unit played fairly well," Klinger added, "but they did get beat on a couple of pass plays." He cited Joe V'ieland, Jerry Lucksted, George Bindschatel, Steve Cdebeca, Mark Kibbe and Matt Mahaney for particularly good defensive work. The Vikes will hit the road for Petoskey to face the Northern in another MHS-conference game this Friday with kickoff time set for 8:30 p.m.

The Viking JV squad traveled to Rogers City last Thursday and increased its season record to 4-3 with a 32-6 win over the Hurons. Hallback Steve Fling churned out 207 yards in 19 carries on the ground and was named offensive player of the game. Coaches Chuck Mires and Chuck Spencer named Andy Scott, outstanding defensive player for his 17 tackles from the Middle Linebacker position. The Junior Vikes broke a 6-6 halftime deadlock with 4 TD's in the second half, holding the Hurons scoreless. Steve Fling scored twice for the Vikes, and John Junttila, Tim VanNuck and Scott Hale tallied one apiece. The JV squad will host Petoskey this Friday under the lights with kickoff at 6:30 p.m.

In a game in Charlevoix last Wednesday evening, the Freshmen squad increased its record to 5-0-1 with a 28-8 victory the Red Raiders. Behind the great blocking of the offensive line, Dan Lucksted scored two TD's TD passes from Quarterback Ted Methner to Jim Harland accounted for the other touchdowns. According to Coaches Mike Branch and Mike Smith, the Freshmen played a great game with most team members seeing action in the second half.

Loveis Chapel Guild

The Lovells Chapel Guild met, Oct. 4th at the Ladies Clubhouse with Jerry Coulter as hostess.

Eleven members and one guest enjoyed a potluck lunch.

A business meeting followed, after which a successful silent auction was held, with proceeds to go to support our missionaries.

Our Bible study for the next meeting will be taken from Matthew Chapters 16-17-18 led by Ruth Caid. The next meeting will be Nov. 1st at noon, with Imilda Stahl as hostess.

All are welcome. Come and fellowship with us.

Bits O' Talk

by Fay Bovee

Mr. and Mrs. Arthur Clough, Sr., have returned from Garden in the Upper Peninsula where they spent two weeks at their cabin.

Mr. and Mrs. Les Hunter spent from Thursday to Sunday in Minneapolis visiting their daughter, Mary Kay and attended a play, "The Marriage" at the Guthrie Theatre where Mary is employed. The play was directed by a Russian director.

Some more of the local young people who are attending college this year are Anne Sherlock, daughter of Jack and Kay Lund of the Triangle Motel, who attends Suomi in the UP.

Tim Ferguson, son of Mr. and Mrs. Don Ferguson is again at Central Michigan University.

Let's hear from you parents, I know we have a lot more of our young people of whom we can be proud.

Another golfing party has returned from the sunny south after spending a week at Perdido Bay, near Pensacola, Florida, chasing that elusive white ball. Enjoying the trip were Chuck and Marilyn Fick, Jerry and Dorothy Walker, George and Joanne Olson, and Arnold and Pearl Tucker.

Robert Williams, who has been stationed at Keesler Air Force Base in Mississippi, is home on furlough visiting relatives and friends before leaving for Korea.

—Only California ranks ahead of Michigan in tourist spending.

—The Michigan Travel Bureau, a Michigan Dept. of Commerce Division, pioneered the concept of tourism, into a major, cohesive industry.

—Statistics show that last year Michigan had 41 million vacationers with more than 40% coming from other states.

—The Commerce Department, in an attempt to develop the canoeing industry, is currently conducting a 4-part study of the major canoeing rivers in Michigan, including the AuSable, the Pine, Pere Marquette and Manistee.

—The tourism industry in Michigan is growing at the rate of 10% per year.

Prior to Molin's presentation, a number of awards were made, including resolutions honoring Fred Bear, Bear Archery Pioneer and Bob Kelly, Company President, for the economic impact the business has had on the growth of Crawford County since 1947 when it first moved here from Detroit, ultimately becoming the premiere manufacturer of archery equipment in the world.

Resolutions were made by Ed Lowrie, Board of Commissioner Chairman; Grayling Mayor, Derek McEvers; Bernie Fowler, Grayling Twp. Supervisor; State Representative Ralph Ostling and Ron Fraser, President of the Chamber of Commerce.

Jack Aief provided the invocation and benediction for the occasion and music throughout the evening was provided by Chad Kelly.

GRAYLING, MICHIGAN — THURSDAY, OCTOBER 26, 1978

From Our
Corner ...

With the November general election fast approaching, and it seems about 80 percent one talks to concerning the proposal ballots this year are still undecided what or if they will even vote for most of them. This has to be one of the most confusing ballots Lansing has ever put together.

We don't know how much it will help, but, if it does just a bit to familiarize our readers what they face on the proposal ballot on November 7th, a copy of the ballot appears on page four of section B in this same issue. To help matters, we understand that a person will have only 3 minutes to make their choice once they enter the voting booth.

Along with this voters will have all the congressional, state, county and township decisions to make, plus a non-partisan judicial ballot. Leo Lovely, County Clerk, stated the other day, that persons interested in seeing the other ballots, paper and machine, copies are available at the county building and at the several township clerks.

To unboogie your mind, it would pay if you have the time, to check them out.

Once again we had the misfortune to watch some one else at a retirement party Saturday night...we spent the evening at Camp Grayling envious of every minute as we congratulated Ray Keir who is hanging them up as the head honchou at the officer's open mess...at the same time, Bud Hunter was being honored after serving 30 years as Crawford County Register of Deeds at a party at the Holiday Inn...our only regret, we couldn't be at two places at the same...all we can say is, we wish you both a long, and healthy retirement...we know you will be happy...

A couple weeks ago we were talking to a friend when he mentioned if we had possibly thought of not playing golf in the league next year? Seems as there are others that feel we don't put our better half forward in league play, and there is always the possibility we may forfeit a match, and the team may be in contention for the glories...

We have thought quite a bit about our conservation...and have come up with the saying of Don Meredith, Monday night football personality...it looks like the party is over...we will miss the Wednesday rains, but not as much as the 10th hole...

For those interested...the cucumber contest, and a saying for under the flag on the front page runs out when the witches and goblins come to visit...and to the winners, one whole year of reading your favorite paper.

We have to cut our corner short tonight...too much color has forced us to limit our pages, and the ads come first...we should apologize to Larry and Joan Mattis and the Hard Times Saloon for not being able to get their Halloween party ad in, as well as Jim and Joan Shively's Red Barn ad that came in Monday...but too late...some undated copy was also left out, and will run next week.

Have a nice weekend and watch out for those little ghosts and goblins come Tuesday night...

The Bible Speaks

From Calvary Baptist Church

Life In The New Jerusalem
Revelation 22:1-

Last week we were reminded of the beauty of the coming new Jerusalem from Heaven, today we shall study the quality of life for the saints who shall live there.

The water supply for the city shall come from the throne of God, and it shall be the purest, clearest water in the universe. The water will not only meet our needs for thirst, but it will be a living water of life. Verse 1.

The food supply will include special trees of life which will bear a different type of fruit each month of the year. These trees will grow on both sides of the river of life. Their leaves will be for the health of the nations. Verse 2.

Inside the city there will be no sign of the curse. God the Father and God the Son will sit upon the throne. We shall be occupied by serving God. Verse 3. We shall then see Him face to face, and His name will be written upon our foreheads. Verse 4. We shall live a full 24 hours a day with no night there. Our glorified bodies will feel no pain and require no sleep. We shall reign with God forever and ever. Verse 5.

Our Lord attested the truthfulness and faithfulness of the above prophecies as "the things which must shortly be done." Verse 6. He reminded us that His return will be sudden and men will have no time to change their life-style. Therefore, He promises a special blessing to all those who keep the prophecies of the Bible until His return. Verse 7.

There are many Bible teachers who believe this 1,500 cubic mile city will first come into orbit as a satellite around the earth during the 1000 year reign of Christ on earth. This satellite

city would be our home during the millennial age until the destruction of the old earth and the creation of the new. Some believe the city will descend from orbit and rest upon the new earth during eternity. I follow the logic of these men, but I will only teach dogmatically what the Bible clearly states. More important, are you assured of a home in this coming glorious city? You can be by faith in Jesus Christ! (adv.)

O.E.S. Hold Installation
Open Installation of Officers for Grayling Chapter #83 O.E.S. was held on Friday evening, Oct. 20, 1978 at the Masonic Temple.
All officers were installed with the exception of the Associate Conductress and Organist who will be installed at the first regular meeting.
A large crowd witnessed the Installation Ceremony on the 2nd floor of the Temple. Guests were present from many cities throughout northern Michigan. We were especially honored by a visit from Opal Hastings, who is present Grand Electa of the Grand Chapter of Michigan, from Mark Chapter #275 in East Jordan.
Immediately after her installation, Vorthy Matron Lillian Houghton presented a Bible to each of her officers.
The Installing Staff, led by Installing Officer Dorothy Williamson, lent an air of dignity and solemnity to the Ceremony. Installing Organist and Soloist June Feldhauser sang the following impressive solos: For Vorthy Matron Lillian Houghton "How Great Thou Art"; for Vorthy Patron Robert Houghton "No Man Is An Island"; for Chaplain Irene Peterson "When I Kneel Down To Pray"; and for Outgoing Matron Elsie Jansen "Climb Every Mountain". In the outgoing march the 1978-79 officers sang "Holy, Holy, Holy".
After the Ceremony, members and visitors retired to the Dining Room downstairs where a delicious lunch of fancy sandwiches and cake was served by Sharon Allen and her committee. Each person who attended received a hand-made key chain as a table favor. Most felt that it was a very enjoyable evening.

Fun Night at Houghton Lake Playhouse
Mid-Mitten Chapter met at the Houghton Lake Playhouse for their weekly rehearsal in preparation for our "Fun Night" on October 28th. Jan Lorion handled the direction due to the absence of John. We have some good acts to entertain you from Houghton Lake, Roscommon, and Grayling, along with our "Spooky" Halloween Chorus. Please bring your children and join our Halloween fun.
Sharon and Paula came back from competition with all kinds of ideas after attending classes. Our first choreography night will be held on Thursday, November 16th, at the home of Sharon Huss. This is called a "Brainstorming" night when choreography for new songs are first plotted out. We hope these new ideas will be very helpful.

New Books At County Library

Several memorials have been placed on the shelves at the Crawford County Library. From Cornell's (Paul Thomson and Clyde Borchers), "Folk guitar-folk songs" by Silverman for John Messenheimer; for Delbert Case, "Dave Salkin Cares" by Knebel; for Douglas Cottenham, "Christmas Book" by Saturday Evening Post.

From Larry and Maureen McNamara, "Son of the Morning" by Oates for Jessie Smock; from Michael Joyce, "Thursday the Rabbi walked out" by Kemelman; for Delbert Case; from Jeanne and Bud Joyce, "Parade of Heroes" by Coffin.

for Delbert Case; from Murray and RaxAnn Adams, "In Sports" for Douglas Cottenham; from the staff and students of the Middle School, "Stuart Little" by White, "Album of Dinosaurs" by McGowen, "Album of Sharks" by McGowen, "The Love of Dogs" by Borer and "Alfred Hitchcock's Ghostly Gallery" by Hitchcock, all for Douglas Cottenham.

A correction in memorial listed previously: from A.J. Sorenson "Glendower Legacy" for Albert Kraus.

It has also been brought to our attention by Youth Publications that Bonnie Hatfield, a student at the Grayling Elementary School, has a drawing in the "Child Life" magazine's August-September issue on page 67.

Books recently purchased by the library are "Second Generations" by Fast; "Robert Kennedy and his Times" by Schlesinger; "Vixen 03" by Cussler; "Distant Mirror" by Tuchman; "War and Remembrance" by Wouk; "Prelude to Terror" by MacInnes; "Days of Winter" by Freeman and "The Complete Medical Exam" by Dr. Rosenfeld.

Bits O' Talk

by Fay Bovee

Mrs. Daisy Krage spent two weeks in Flint with her grandson, John Decker and family, and took care of her two great grandsons while their mother was hospitalized.

Mr. and Mrs. Bruce Smith have moved into their new home off Evergreen Drive. Their home was completely destroyed by fire and the new home is built on the same location.

Kip and Joan Papendick took their daughter, Janet, to Mount Pleasant last Friday where she joined a group of other students and flew to Winchester, England, where she will be living for 8 weeks and interning. She will graduate from Central Michigan University in December of 1978 with a Bachelor of Science in Education with a major in special education for the mentally impaired. In case her friends would like to write, her address is: c/o Toni Bergstrom, Downlea, Shawford, NR Winchester, England.

George and Marilyn Stancil and their children have moved into their new home off Evergreen Drive.

Mrs. Joe Price, (nee Deanna Gibson) and son, Joe, Jr., of Carsonville, spent all last week visiting her parents, Mr. and Mrs. Schuyler Gibson.

I met Helen Catlin at the alumni banquet last Saturday evening and she informs me that Jay Roberts, his wife, Joanna, and daughter, Cindy, were in our town a couple of weeks ago. He told her he was so impressed with the colors, it was really breathtaking. They were at the Holiday Inn. He's captain of the Nile Flight program on WJR from 11:30 a.m. to 6 a.m. and often mentions Grayling.

R.I.F. Has A New Home

The "Reading is Fundamental" program will be located in the Crawford County Library. According to Rose Duley, County Librarian. The program will follow the same format as last year when it was housed in the Grayling & Frederic schools.

When a student has read five books and returns the forms signed by a parent, teacher or librarian to that effect, a free book may be selected from the R.I.F. display at the library.

The books read may come from any source, school, home, friends, library, etc. Forms are available at the schools and from the Crawford County Library, Frederic Community Library or the Lovells Library.

Honor Volunteers

The annual luncheon to honor the volunteers and the Crawford County Historical Committee was held at Noon, October 17th at the Holiday Inn.

This annual get together is always enjoyed by the people who have contributed so much time and effort to keep the Crawford County Historical Museum operating during the summer months. A lot of credit should be given to this group of dedicated people for their contribution to the community.

Not all of the volunteers and committee members attended the luncheon as they had other plans for the day. The volunteers who attended were: Elsie Anderson, Esther Bryson, Marie Daly, Claribel Goss, Laura Johnston, Anna Legner, Olive Lovely, Richard A. Lovely and Mattie Lowe.

The members of the Crawford County Historical Committee who attended were: Marie Akers, LeRoy Akers, Ruth Caid, Margaret L. Fenton, Elmer L. Fenton, Betty Milliken, and Sal Truettner.

Others in attendance were: Carol Kolka and Mary Lou Goss from the R.S.V.P. Office. These two people have spent a lot of time contacting volunteers to keep the program operating.

I sincerely hope that we have as fine a group of volunteers in 1979 as we have had in the past.

This was the 5th summer that the Crawford County Historical Museum has been open. We probably will open the museum around Memorial Day weekend in 1979.

Again I would like to thank all the volunteers, the committee members, the R.S.V.P. Office, the radio station, the Crawford County Avalanche, members, visitors and people who have contributed time and money to the museum. Another thank you to those people who have contributed pictures and artifacts to the museum. Without your combined help we wouldn't have the Crawford County Historical Museum as an attraction for the local people and tourists.

William G. Milliken
Governor of the
State of Michigan
presents this

Executive Declaration
in Observance of
October, 1978 as

Learning Disabilities Month
Throughout Michigan, thousands of children perform poorly in school because of problems in one or more of the basic psychological processes involved in understanding or using spoken or written languages. They are not mentally retarded. In fact, these children often possess normal or above-normal intelligence.

The Michigan Association For Children With Learning Disabilities, Inc. (MACLD) is a group of dedicated parents and professionals who work together at state and local levels to insure appropriate public school education for children with learning disabilities. More than 1,700 individuals work in 33 local chapters throughout the state to provide information to members and understanding to parents who often feel alone in dealing with local schools. MACLD also provides parent advisors to assist with school placement and to help schools better understand Public Act 198, the Mandatory Special Education Act, and other laws dealing with education for handicapped children.

During the month of October, public attention will be focused on the problem of children with learning disabilities.

Therefore, I, William G. Milliken, Governor of the State of Michigan, do hereby declare October, 1978, as Learning Disabilities Month in Michigan, and urge all citizens to give appropriate recognition to those groups working to increase public awareness about, and assist educators in, dealing with learning disabled children in Michigan.

Given under my hand on this twenty-ninth day of September in the year of Our Lord one thousand nine hundred seventy-eight and of the Commonwealth one hundred forty-second.

/s/William G. Milliken

Bits O'Talk

By Fay Bovee

Elise Anderson thanks all the lovely people in Crawford Co. for the cards she received for her 80th birthday.

Mrs. Charles Fick and Shelley attended a baby shower for Mrs. David LaQuire in St. Johns on Sunday.

Mr. and Mrs. Alfred Losee, parents of Ernest Hale have purchased the Marion Fox mobile home on Glenwood Drive in Timberidge Sub. The Losee have sold their home in Saginaw and are now in their new home.

Mr. Russell Vallad is now out of Mercy Hospital and home again. He would appreciate seeing and hearing from his friends.

Shelley and Stephanie Fick entertained several young couples for dinner before the Homecoming Dance last Saturday evening. Those in attendance were Shelley's date, Todd Dunkley and Stephanie's date, Darryl Levell. Other couples were Rocky Tobin and Missy Meldrum, George Rindschattel and Rosemary McNally, Craig VanNuck and Lisa Sajdak, Dennis O'Mara and Lori Madill, Steve Dean and Tammy Mead, Scott Dunkley and Toni Trudgeon, Bill Lucksted and Beth Lattimer, Jerry Diss and Sue Nicholas, Todd Stiefelmayer and Lisa Weiss. Before leaving for the dance, the group shared a surprise birthday cake in honor of Todd Dunkley.

There will be an Open House reception for Stanley and Liberty Wilcox at the home of his parents, Mr. and Mrs. John Wilcox, starting at 7:00 p.m. Fri., Oct. 27th, North Down River Road. All their friends are invited to stop in to meet the new bride.

Jeff Osga is in St. Mary's Hospital, 830 South Jefferson, Room 555, Saginaw, MI. 48601, and appreciates hearing from his friends.

Services Held For Sister Mary Pacifica

Sister Mary Pacifica Darby, R.N., passed away Friday, Oct. 20, 1978 at Mercy Hospital. A Memorial Mass was held at Mercy Hospital on Saturday, October 21, 1978 at 7:00 A.M. Funeral services were held at Mt. Mercy in Grand Rapids, Michigan at 11:00 A.M. on Monday, October 23, 1978. Arrangements were made by Alt Mortuary in Grand Rapids. Interment was at Mt. Calvary Cemetery, Grand Rapids.

Sister Pacifica was born in Saginaw on April 27, 1870. She entered the Order on December 11, 1911 and was professed on August 18, 1914. She had worked as a teacher in the Saginaw, Grand Rapids and Detroit Dioceses, moving to Grayling in September of 1972. Sister Pacifica worked as a Sister of Mercy at Mercy Hospital.

Survivors include one sister, Mrs. Marcella Schuch of Saginaw, and one brother, Frank Darby of Hemlock. Several nieces and nephews also survive.

Tuesday, October 17, 1978, our class, that is, Mrs. Govee's room, went to the fire station and first of all we went to the rescue truck and on the truck they had things like: tools, oxygen mask, axe, saws, stretchers, backboard, ropes and laws of life and all different kinds of equipment. The rescue truck looks like a red ambulance. But instead of saying ambulance it says "Rescue Truck". The rescue truck only goes if someone is hurt. Or if there is an accident and if someone needs help. The men who work on the rescue truck are firemen with special training.

The fire truck has interesting equipment too. Like ladders and hoses. And their coats have three linings so the firemen will not get burned. And their hats, in the inside, there is a cloth for their ears so the flames will not burn their ears. It's like protecting their ears. The firemen go only if there is a fire. The firemen that puts out the fire have had many years of training. It's a very big red truck, too. It's used for very many things, too.

It has a plow on the back of the D.N.R. truck. So when the plow goes in the ground the fire can go out just as fast as a hose.

Fire Station

Thursday, October 12, 1978, all of the first graders walked to the fire station. They showed them the valves, air horns, the inside of the truck and the hose. They said it was interesting. Written by Lorian Plaff and Laura Grudzien, 5th graders

BARREL BROUGHT TO ELEMENTARY—The big barrel was brought to the elementary school from the middle school this afternoon, October 12, 1978, because some kids got hurt playing on it. It is about five feet wide and four feet five inches tall. It was put in our playground for the first and second graders to play on. It is buried about one foot in the ground so it won't roll and hurt anyone. It is made out of wood and is sturdy for kids to play on.

THE JUNIOR DEPUTY PROGRAM—October 10, 1978, Mr. Duane Brooks of the D.N.R. came to speak to the Junior Deputies about fire safety. He showed us a film about fires. The film is called "May Day".

All the fourth grade classes in the Grayling Elementary School met in the gym to listen to Mr. Akers and Mr. Duane Brooks speak and watch a film. In the picture you see Mr. Larry Akers, Scott Davis, Nikky Nicholas, and Mr. Duane Brooks.

It was a great pleasure to listen to them speak. We learned a lot from them. We all hope that he will come back to the Junior Deputy program before it is over.

Area Men Invited To Barbershop Song Night

Men of all ages who enjoy fellowship and music are invited to experience the easy recreation of barbershop harmony at an evening of fun sponsored by the AuSable Valley Chapter of the International Barbershop Society.

The event will be held at 7:30 p.m., Thursday, Nov. 2, at the Chief Shoppenagon Motor Hotel in downtown Grayling.

Wayne T. Kelly, of rural Gladwin County, chapter president describes this public open house as an "introduction to

Barbershop Harmony".

"It may surprise many that most barbershoppers can not read a note of music in a musical sense. But it isn't necessary because the unique mode of barbershop harmony depends more upon the ear and most people can match tones and hear harmony," Kelly explained.

Men of AuSable Valley Chapter meet each Thursday night in the lower floor of the Shoppenagon Motor Hotel in Grayling. They pool up to travel from

Gaylord, Roscommon, Houghton Lake, Prudenville and Gladwin County.

The Barbershop Society, or SPEBSQSA which is the abbreviated form of Society for Preservation and Encouragement of Barbershop Quartet Singing in America, Inc., has some 35,000 members in about 1,500 chapters scattered across all 50 states and most of the Canadian provinces.

There is a serious side to barbershopping. The members sponsor a special school to help

children and youth overcome speech handicaps. It has been discovered that music is a useful tool in helping these youngsters learn to speak. A song, "We Sing That They Shall Speak," enunciates this theme in barbershopping. The hobby of barbershopping is useful also in public entertainment.

To The Customers of Michigan Consolidated Gas Company

(Published by Direction of the Michigan Public Service Commission)

Notice of Gas Rate Hearing and Notice of Hearing on Motion for Partial and Immediate Rate Relief

On October 17, 1978, Michigan Consolidated Gas Company (Consolidated) filed an application with supporting testimony and exhibits in Michigan Public Service Commission Case No. U-5955 requesting authority to increase its annual revenues from sale of gas to customers in Michigan by approximately \$102 million. At the same time, Consolidated filed a Motion for Partial and Immediate Relief seeking authority on an interim basis, pending final Michigan Public Service Commission action, to increase its rates by approximately \$75 million annually.

Consolidated is a Michigan corporation with principal offices at One Woodward Avenue, Detroit, Michigan 48226. The distribution and sale of natural gas at retail to approximately one million customers in the districts of Detroit, Grand Rapids, Muskegon, Ann Arbor, Big Rapids, Greenville-Belding, Mt. Pleasant, Traverse City, Ludington, Cadillac, Manistee, Petoskey, Alpena, Grayling, Tawas, Cheboygan, and Upper Peninsula, all within the State of Michigan, is subject to the jurisdiction of the Commission.

Consolidated states that its currently effective utility rates were authorized by the Commission in its Opinion and Order issued September 28, 1978, in Case No. U-5365 and that the rates now in effect for the sale of natural gas by Consolidated are not adequate to permit Consolidated to earn a fair return on its utility property dedicated to public use and consequently are not just, reasonable and nonconfiscatory.

Consolidated states that the rates approved by the Commission in Case No. U-5365 were based on its operating results for the year ending December 31, 1976, with some adjustments to reflect changes which were expected to occur in 1977. Consolidated states that since that time, it has dedicated an additional plant to serve its Michigan retail customers, there has been continuing inflation in all sectors of the economy, and it has experienced substantial increases in operating expenses and capital costs. These increased costs, cited by Consolidated, include increases in wages, fringe benefits, other operating expenses, depreciation, taxes, and interest charges.

Consolidated states that, as applied to adjusted test year sales, its rates in effect at October 1, 1978, produce annual revenues which fall short of Consolidated's adjusted test year cost of service by approximately \$102 million annually, and thereby fail to recover increased operating expenses and capital costs, to offset declining gas sales, and to provide a reasonable rate of return of 9.00% on its utility property, including a return of 13.5% on the common equity component thereof. Consolidated's request for rate relief is based on a test year ended June 30, 1978, adjusted generally for changes expected to occur on or before June 30, 1979.

Simultaneously with its Application, Consolidated filed its Motion requesting partial and immediate rate relief of approximately \$75 million annually to become effective as soon as possible, through increases in its commodity rates designed to spread the partial and immediate rate increase to all rate schedules on an approximately equal percentage basis. Consolidated claims that if it is not granted the partial and immediate relief requested, it will suffer unreasonable and harmful loss of revenues and irreparable harm because of the approach of the winter heating season, because of the inadequacy of its earnings, and because rates cannot be made effective retroactively.

Consolidated proposes amendments to

Rules 15 and 34E(4) (c) of its Schedule of Rules, Regulations and Rates for Gas Service, M.P.S.C. No. 3, to provide for a \$150.00 reconnect charge where Consolidated has had to cut and cap in order to discontinue service to a customer. Consolidated also proposes to amend the Rules, Regulations and Rates, M.P.S.C. No. 3, applicable to Rate 7, Interruptible service, to provide for a uniform \$1.00 per therm penalty for all usage in violation of any curtailment, discontinuance, or interruption notice given to the customer under the provisions of that rate schedule.

In Case No. U-5281, Consolidated has proposed changes in the accounting and ratemaking treatment of construction work in progress and the tax deferrals associated with indirect construction costs which are expensed for tax purposes but capitalized for ratemaking purposes. Consolidated proposes that changes in the treatment of these two items, if approved by the Commission in Case No. U-5281, be implemented in its first rate case decided subsequent to an order in Case No. U-5281. Consolidated has requested that any changes in the ratemaking treatment for construction work in progress or indirect construction costs be implemented in its rate order if a final order is issued in Case No. U-5281 before the Commission has taken final action on its rate Application.

Consolidated has filed written testimony and exhibits in support of the gas rate increase requested. Applicant states that this material will be promptly furnished to all intervenors under Commission Rule 11 in Consolidated's most recent gas rate proceeding, Case No. U-5365, and will promptly be made available to any person seeking to intervene in this proceeding pursuant to Rule 11.

The Company proposes final gas rates, including cost of gas as reflected in its October 1978 purchased gas adjustment, as follows:

Proposed Rate Schedule No. 1, Non-Residential General Service Rate: Provides for a customer service charge of \$8.00 per customer per month and a commodity charge of 24.00¢ per 100 cubic feet of gas.

Proposed Rate Schedule No. 2, Residential Rate: Provides for a customer service charge of \$4.00 per customer per month and a commodity charge of 22.60¢ per 100 cubic feet of gas.

Proposed Rate Schedule No. 2A, Residential Multiple Family Dwelling Service Rate: Provides for a customer service charge of \$4.00, \$8.00, \$25.00, or \$50.00 per customer per month, depending on the size of meter used to service a particular customer, and a commodity charge of 22.60¢ per 100 cubic feet of gas.

Proposed Rate Schedule No. 6 Large Volume Rate: Provides for a customer service charge of \$500 per customer per month and a commodity charge of 22.29¢ per therm.

Proposed Rate Schedule No. 7 Interruptible Large Volume Rate: Provides for a customer service charge of \$1,000 per customer per month and a commodity charge of 20.12¢ per therm.

Proposed Rate Schedule No. 10, School Rate: Provides for a customer service charge of \$150 per customer per month and a commodity charge of 22.60¢ per 100 cubic feet of gas.

As a result of the foregoing rate changes, Consolidated's average revenue per 100 cubic feet, which is the price at which it sells gas to other Michigan gas utilities, would

rise to 24.03¢.

The interim rates proposed by the Company include no changes in monthly customer service charges, but would result in commodity rates, including cost of gas as reflected in its October 1978 purchased gas adjustment, as follows: 23.38¢ per 100 cubic feet for Rate Schedule No. 1; 22.26¢ per 100 cubic feet for Rate Schedule No. 2; 21.15¢ per 100 cubic feet for Rate Schedule 2A; 21.63¢ per therm for Rate Schedule No. 6; 19.53¢ per therm for Rate Schedule No. 7; 22.07¢ per 100 cubic feet for Rate Schedule No. 10; and 23.42¢ per 100 cubic feet for gas sold to other Michigan utilities.

The Commission has scheduled hearings on the Application in Case No. U-5955 and has ordered that:

NOTICE IS GIVEN that:

A. The initial hearing in this case shall be held at 9:30 a.m. on November 9, 1978 in the offices of the Commission, Mercantile Building, 6345 Mercantile Way, Lansing, Michigan 48910, which hearing shall be in the nature of a prehearing conference and shall be held for the purpose of exploring and, if possible, agreeing upon matters which will expedite this proceeding, including but not limited to, the following:

1. Determining the parties to the proceeding, the nature of their appearances and the positions they are taking in the proceeding, as well as the facts they intend to controvert or give evidence of, all in accordance with the provisions of Rule 11 of the Rules of Practice and Procedure Before the Commission.
2. Simplifying and defining the issues in this proceeding.
3. Obtaining admissions as to, and stipulations of, facts not remaining in dispute, the authenticity of documents, and matters of public record.
4. Determining the number and identity of witnesses.
5. Specifying the schedule for the exchange of proposed and written testimony, and the reduction of that testimony to written form.
6. Establishing procedures for the hearing.
7. Specifying a further schedule of dates of hearing.
8. Considering any other matters which may aid in the orderly conduct of the hearing and the disposition of the proceeding.

B. Public hearings for the special purpose of taking statements and testimony of any interested persons desiring to be heard on this matter shall be held as follows:

Grand Rapids—November 15, 1978 at 1:30 p.m. and 7:30 p.m. in the Michigan Room, State Office Building, Governmental Complex, 350 Ottawa, N.W.

Detroit—November 27, 1978 at 2:30 p.m. and 7:30 p.m. in the Auditorium of the City-County Building, 2 Woodward Avenue.

Escanaba—November 28, 1978 at 1:30 p.m. and 7:30 p.m. in the Bonifas Civic Center, 225 N. 21st Street.

C. Public hearings for the purpose of commencing cross-examination of Applicant's witnesses shall begin at 9:30 a.m. on December 4, 1978, in the Commission's offices, Mercantile Building, 6345 Mercantile Way, Lansing, Michigan 48910 and shall continue thereafter from day to day or on such ad-

joined dates as the presiding officer may set until the matter has been fully heard. D. A public hearing will be held on the Company's Motion for Partial and Immediate Relief at an appropriate time during this rate proceeding.

E. The Commission has commenced an investigation into the existing gas rates, charges, revenue deficiencies or excesses, services, practices, procedures and operations of Applicant, and the investigation will not necessarily be confined to matters contained in the application but will include all matters pertaining to the reasonableness and justness of its gas rates, charges, operations and practices, including the appropriate treatment of company-produced gas under its purchased gas adjustment clause, as may be necessary to enable the Commission to determine whether the existing or proposed rates and charges are unreasonable, excessive or inadequate, and should therefore be increased, reduced or altered.

F. Any person seeking to intervene, in accordance with Rule 11 of the Rules of Practice and Procedure Before the Commission, shall file with the Commission, on or before November 6, 1978, an original and 12 copies of a petition to intervene, together with proof of service upon Applicant. Subparagraph (2) of said Rule 11 provides as follows:

"(2) A petition to intervene shall set out clearly and concisely the facts supporting the petitioner's alleged right or interest, the grounds of the proposed intervention, and the position of the petitioner in the proceeding, so as fully and completely to advise the parties and the commission of the specific issues of fact or law to be raised or controverted." (Emphasis added)

The Commission will require strict compliance with the above-quoted rule.

G. THE INCREASES DESCRIBED IN THE NOTICE HAVE BEEN REQUESTED BY MICHIGAN CONSOLIDATED GAS COMPANY. THE MICHIGAN PUBLIC SERVICE COMMISSION MAY EITHER GRANT OR DENY THE REQUESTED INCREASE, IN WHOLE OR IN PART, AND MAY GRANT A LESSER OR GREATER INCREASE THAN THAT REQUESTED, AND MAY AUTHORIZE A LESSER OR GREATER RATE FOR ANY CLASS OR CLASSES OF SERVICE.

H. Consolidated on or before November 9, 1978, shall serve upon each intervening party a copy of the written direct testimony of its proposed witnesses and its proposed exhibits as filed with the Commission. Proof of service shall be filed with the Commission on or before December 1, 1978.

I. Consolidated shall, at least 10 days prior to the initial hearing of November 9, 1978, have available for inspection at each of its District Offices in its gas service area a copy of its application, testimony, exhibits and its proposed rate schedules.

J. Jurisdiction in this matter is pursuant to 1909 PA 300, as amended, MCLA 462.2 et seq.; Section 4 of 1919 PA 419, as amended, MCLA 460.51; Sections 4, 6, 6a and 6b of 1939 PA 3, as amended, MCLA 460.4, 460.6, 460.6a and 460.6b; Section 3 of 1923 PA 238, as amended, MCLA 486.253; Chapter 4 of 1960 PA 306, as amended, MCLA 24.271 et seq.; and the Rules of Practice and Procedure Before the Commission, 1954 Administrative Code Supplement No. 54, R460.11 et seq.

Women Of
The Moose

The meeting was called to order by the Senior Regent, Frances Barclay, on Monday the 23rd.

This month is Christmas in October, and Mary Nelson is chairman of the committee. Mary decorated a Christmas tree for the party that followed the meeting. The party was held in the basement as a fun night for the men and women.

We played gift bingo to raise money to send to Mooseheart for the children and Moosehaven for the elderly. Mary Nelson with the help of Judy Eberts also held a rummage sale for two weekends. This was for the Christmas in October project.

The next meeting will be held on Monday the 6th of November at 8:00. Please everyone try to attend as we are planning the preparations to have breakfast for the new hunters the first three days of deer season. Also to plan a Dinner Dance on the 23rd night of deer season, which is a Saturday.

Kiwanis Club

The regular meeting of the Grayling Kiwanis Club was held Monday noon at the Chief Shoppenagons Motor Hotel. William Kelly, first vice-president, presiding.

William Dredrich, Superintendent of the Crawford-Ausable School District, was inducted as a member.

The program for the day was Jerry Morford, City Manager and Clerk. He gave an enlightening overview of the 11 proposals which will be a part of our ballot on November 7th. He pointed out that probably very few people knew what all the proposals were and that there might be a great deal of confusion on election day. He strongly urged that everyone make themselves acquainted with the proposals before they went to vote.

We will need to be better prepared for this election than any in the recent past. Legally a voter has only two minutes in the booth and with all the proposals the voter will need to be well informed before he enters the voting booth.

YOUR WEEK AHEAD By DAMIS

Forecast Period:
October 30 to November 6

ARIES Mar. 21-Apr. 19	Look for a productive week! Good things are bound to happen, but you must look for them.
TAURUS Apr. 20-May 20	Don't rely on a promotion. Don't relax on your job or project. In the long run, all good efforts will pay off.
GEMINI May 21-June 20	The "worry circle" will not solve problems. Forget anything beyond your control. Most important — take risks.
MOONCHILD June 21-July 22	No one, that is, no one really recruits enemies. Your attitude, this week, could be odd — to put it mildly.
LEO July 23-Aug. 22	According to your chart, formula for success this week should be plenty of rest. You will be fighting other plans.
VIRGO Aug. 23-Sept. 22	No good will come of this week — you will be forced into a situation that you won't want to discuss with anyone.
LIBRA Sept. 23-Oct. 22	The eye nod you will receive from the opposite sex will tell you there is a difference between opportunity and temptation — beware.
SCORPIO Oct. 23-Nov. 21	Don't delve into the past. Don't provoke your mate or similar alliance. Let bygones be bygones.
SAGITTARIUS Nov. 22-Dec. 21	A challenger awaits you behind closed doors. Have all the facts at hand — this will be your "ace in the hole."
CAPRICORN Dec. 22-Jan. 19	Don't worry about risks. Several good opportunities for finance crisscross your chart.
AQUARIUS Jan. 20-Feb. 18	Beware of clandestine activities — protect yourself from a devious person. You could be taken in, innocently.
PISCES Feb. 19-Mar. 20	An old dear friend will come on the scene. It's a week of false hope — you must take heed.

The Grayling High School Girl's Basketball team split two contests last week, losing 50-45 to a tough Gaylord squad here at home, then rebounded to beat Rogers City, 41-36 Thursday night, a game also played in Grayling. The team now stands at 2-2 in the MHS-conference and hosted Charlevoix this past Tuesday.

"They built up a first half margin too difficult for us to overcome," commented Head Coach Merilee Cheney after the Gaylord defeat. Grayling trailed by 17 points at halftime but rallied back in the second half to cut the deficit to five points when the final buzzer sounded. Sherri Reed led the Vikes with 16 points. Maribeth Good tallied 12 and Karen Hanson added 11. According to Coach Cheney, Regina Methner played an outstanding defensive game, hauling down 14 rebounds during the contest.

Art Lecture at Kirland College

Popular art lecturer Michael Farrell will make a return appearance at Kirland Community College auditorium, Roscommon, on Sunday, October 29 at 2:00 p.m. to discuss "Chinese Scroll Painting." This is a "Show on the Road" program from the Detroit Institute of Arts.

Farrell's talk will be based on the golden age of scroll painting in China during the Sung dynasty (960-1279 A.D.) including the hanging and handscroll tradition, landscape, narrative, bird and flower, and portrait painting.

His slide-illustrated lecture will also include the abstract phase of Chinese

painting based on Chan (Zen) block-in styles.

An Adjunct Curator of Education at the Detroit Museum, Farrell is also an Assistant Professor of Art History at the University of Windsor, Canada, where he is a Ph.D. candidate. The lecture is one of a series given throughout the State as an educational service of the Detroit Institute of Arts. The public is invited. Free.

A reception will be held in the Library immediately following the lecture. Come and bring a friend.

Parking: Patrons may use the drive at the far left side of the campus to reach the parking area nearest to the auditorium.

Education Will Keep You Free

by Willard Bosserman, Co. Ext. Director

James Madison once said, "If people are to remain free, educate them. If they are educated and are given full information they will make the right decisions."

The Cooperative Extension Service, in order to keep you well informed, has scheduled two meetings at Kirland Community College to discuss the eleven proposed amendments to the Michigan Constitution. The first will be from 1 'til 3:30 p.m. The second one from 7:30 'til 10 p.m., in the auditorium. These will take place on November 1, 1978.

Dr. Alvin House, State and local government Extension Specialist, Michigan State University will discuss the proposals with you.

The eleven proposals are as follows:

Proposal A calls for a constitutional convention.

Proposal B would prohibit the granting parole to a prisoner convicted of certain crimes involving violence or injury to person or property.

Proposal C would permit the deposit of state funds in Savings and Loan Associations and Credit Unions, as well as in Banks.

Proposal D is to raise the drinking age back up to 21 years.

Proposal E is a tax limitation proposed by Richard Headlee. It would limit taxation, and consequently spending, to a certain

proportion of Michigan personal income. That will be somewhere between 9.1% and 9.5%, roughly equal to the present ratio.

Proposal G would allow collective bargaining with binding arbitration for Michigan State Police troopers.

Proposal H would prohibit the use of property taxes for school operation expenses and to establish a "voucher" system for financing education of students at public and non-public schools.

Proposal J is the amendment proposed by Robert Tisch. It is patterned after California's Proposition 13. It cuts property assessments in half, reducing them to 25% of true cash value and limits increases in assessed valuation to 2.5% per year.

Proposal K would grant authority to courts to deny bail under certain circumstances involving violent crimes.

Proposal M would allocate at least 90% of gas tax revenues for general road purposes and the remainder for other transportation purposes and to replace state highway commission with a transportation commission.

Proposal R would authorize creation of a railroad redevelopment authority to make loans to railroads with trackage in Michigan and to authorize authority to issue general obligation bonds in amount not to exceed 175 million dollars.

For more information, please come to one of the meetings at Kirland Community College.

GHS Student Attends Pre-Law Conference At Alma College

ALMA—Ray Wonders of Grayling High School was among 50 Michigan high school seniors who attended a pre-law conference at Alma College this fall. Students coming from as far north as Newberry, as far west as Holland, and as far east as Grosse Ile were told what lies ahead of them if they chose law as their primary career option.

The program was divided into two sessions. An afternoon session on "Preparation for Law School: The Undergraduate Experience" features Alma administrators, law school graduates who are now in law school providing information on undergraduate curriculum, suggested practicums, law school entrance requirements and procedures, the demands of graduate study and alternative careers.

During the evening session practicing professionals explained the profession of law and provided students with information describing the realities of law school and legal practice. That session was termed "Law as a Career: What Options?"

Garden Clubs To Meet

The Federated Garden Clubs of Michigan will celebrate its 40th Annual Conservation Conference at the MacMullan Conference Center at Higgins Lake, Michigan on October 16, 17, 18. A special anniversary celebration will be held to honor those who have worked with the program since its beginning. Those to be honored are: Mrs. Robert P. Briggs, Mr. John R. Hood, Mr. Walter Van Dien, Mrs. Leonard Whiteman, Mrs. Gilbert Appelhof, Mrs. Howard A. Tanner, Mrs. Barbara Horn Nichols, Mrs. Vern Planck, and Dr. Howard A. Tanner.

The conference will be directed by National Council of State Garden Clubs Environmental Education Facilitators: Mrs. George A. Patterson, Mrs. John C. Beatty III, and Mrs. George A. Stewart. Other personnel in the program are Mrs. Barbara Horn Nichols, Environmental Education Specialist, with the Dept. of Natural Resources, Mrs. Jack E. Gray, President, of the Federated Garden Clubs of Michigan, and Mrs. Edwin A. Ochs, Environmental Education Chairman, of the Federated Garden Clubs of Michigan.

The purpose of the conference is to teach participants how to evaluate environmental issues and to develop skills in solving environmental problems. Field Trips to natural areas and urban investigations are combined with classroom activities are the methods employed during the conference.

Judge Francis L. Walsh Completes Judicial Education Session

RENO, NV.—Judge Francis L. Walsh of the District Court, Roscommon, Mich., has just completed an intensive three-week judicial training and education session at The National Judicial College, located on the Reno campus of the University of Nevada.

The General Jurisdiction, Fall session held September 17 - October 6, is designed

for new judges seeking an intensive awareness of the judicial process and for experienced judges desiring to keep up-to-date of recent legal developments.

Topics discussed during the session covered developments in the following fields: Judicial Problems, Court Administration, Criminal Law, Civil Law, Family Law, Inherent Powers, Sentencing,

Jury, Judicial Discretion and Courts and the Community.

During the graduation ceremonies, William McGill the President of Columbia University in New York, presented the Robert Houghout Jackson Lecture, "Simple Justice and Existential Victims" was the title of the Memorial Lecture.

There were 82 participants representing 28 states at the session. During each week of the session the judges attended more than 24 hours of class instruction and participated in approximately 15 hours of small group discussions.

The instruction at the College is presented by faculty members chosen from judges attorneys, professors and other professionals who are outstanding in their fields. They volunteer to assist in the training and education of the judges in this

country and receive no compensation for their services.

While attending a resident session, the judges reside in university dormitories and attend classes on campus in the Judicial College Building. The academic setting takes the judge away from the courtroom and into a learning environment.

Instruction techniques utilized for specific educational

objectives are lectures, panels, workshops, demonstrations, video tape playback, role playing, problem solving and small group discussions. Interaction with other judges from all parts of the country is stressed as part of the educational process at the College.

With the conclusion of the General Jurisdiction, Fall

Grayling Loses Half-Way House Bid

The possibility that Grayling may be selected as the site for a Northern Michigan Half-Way House was quelled on October 11th when Traverse City won the nod over Crawford County. Robert Porter, Asst. Director for the local office of Department of Social Services received the decision late last week.

Although disappointed, Porter said it was a "close race, but that Traverse just edged us out". The facility would have provided an economic boost to Crawford County and one that would have provided male delinquents a means to return to a normal life-style.

Porter thanks all local residents and community leaders for their efforts and assistance in the campaign, although unsuccessful, to bring this facility to Grayling.

Announce Marriage

Albert Kesteloot and Lois Hatfield were married Sept. 23, 1978 at the Chapel at Camp Grayling. Rev. Spencer performed the ceremony. Mr. Paul Kesteloot and Mrs. Pat Legg were attendants. Warren R. Hatfield presented his mother.

Following the wedding the reception was held at the American Legion Hall. Guests were from Grayling, Roscommon, Grand Rapids, Rochester, Pontiac, Roger City and Texas.

District Court

The following appeared before District Court Judge Francis L. Walsh in 83rd District Court last week:

Dennis J. Wilhite, 21, Traverse City, demanded preliminary examination on 3 counts of the sale of marijuana. Bond was set at \$1,000.

Larry K. Elliott, 29, Traverse City, demanded preliminary examination on two charges of sale of marijuana and a \$1,000 bond was set.

Harold J. Cook, 25, of Grayling, demanded preliminary examination on two charges of sale of marijuana and a \$1,000 bond was set.

Brian Jay Page, 21, Detroit, plead guilty to the unlawful use of marijuana and was fined \$205 or 30 days in jail.

Gerald F. Buchanan, 21, Grayling, plead guilty to the unlawful use of marijuana and was fined \$205 or 30 days in jail.

William Franklin Graham, 39, Lansing, plead guilty to failure to present a pistol for safety inspection and was sentenced to 10 days in jail with credit given for time already served.

Randy Dougherty, 23, Beaverton, plead nolo contendere to a charge of uttering and publishing a non-sufficient fund check under \$50 and was fined \$85 or 10 days in jail and ordered to make restitution of \$20.

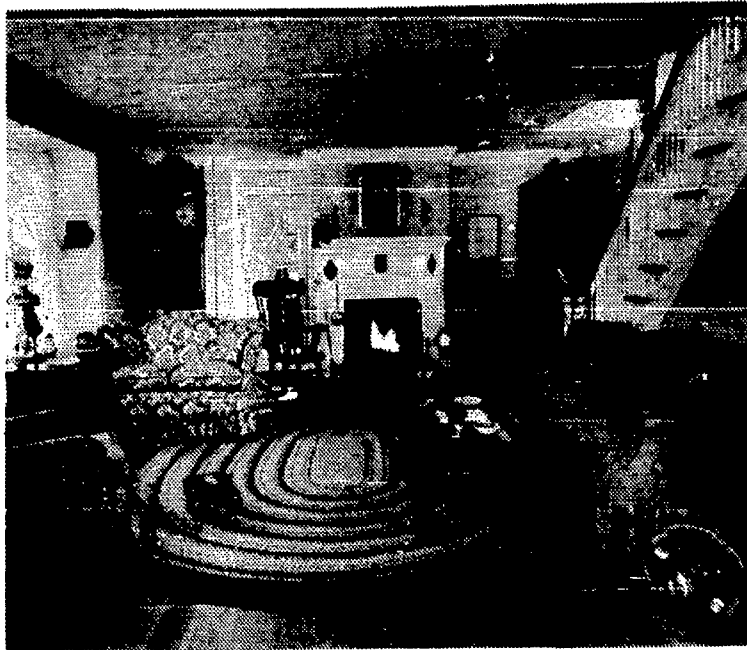

Floyd Irvin Goddard, Grayling, plead guilty to a charge of receiving and concealing stolen property under \$100 and was fined \$105 plus costs or ten days in jail, and placed on probation for one year.

Harold J. Cook, 25, Grayling, demanded examination on a charge of keeping a vehicle for an illegal purpose, to wit, violating the controlled substance act. Bond was set at \$500.

Mark O'Brien, 24, of Utica, plead guilty to a D.U.I. charge and was fined \$205 or 14 days in jail and his license was suspended for 90 days.

Robert E. Steinbrink, 23, Grayling, plead guilty to driving under the influence of liquor and was fined \$205 or 14 days in jail. His license was also suspended for 6 months and he was placed on one year's probation.

Attend the Church of Your Choice

NO PLACE LIKE HOME

Just for a moment, close your eyes and picture the scene in your childhood home that you liked best. Was it the music box in the front room, the grandfather clock, the large, fragrant kitchen? Whatever you are thinking of, your memory is a treasure chest of things you hold dear.

Let your mind wander further. You will remember not only loving scenes and favorite objects, but family and friends, their ways, their thoughts, their talk. God and His goodness were mentioned often. Prayer was a common practice. There was faith and trust and a feeling of security.

Sunday was a special day, and all activities were centered around the church and the home.

Come back to the present a moment. The Church was home to you then! It can be your home now, a place of worship where the heart remembers and rejoices.

Voucher, Tisch, Headlee:

Yes, yes, yes

Richard Milliman

Michigan's ballot is one of the longest in recent history this year, with 11 statewide proposals up for voter decision.

The sheer number of proposals makes the voter's role important enough; but, in addition, the consequences of several of the proposals — if they should pass — will prove quite severe.

Most of the attention has focused on the so-called Headlee Plan, the so-called Tisch Proposal, and the so-called Voucher Plan — all dealing with fundamental shifts in state and local taxes.

One added problem will be the wording on the ballot. Nowhere will "Tisch" be mentioned, nor will "Headlee", although the word "voucher" will appear on the ballot. Thus, if the voter is not quite sure of what he/she is looking for, he/she might well end up voting opposite the intended way.

In an effort to enlighten, presented herewith is the precise wording on the three amendments which have drummed the most support and opposition this year:

† † †
"Proposal E"—
"Proposal for Tax Limitation." That's all there is on voting machines; paper ballots continue:

"The proposed amendment would:
"1. Limit all state taxes and revenues, excepting federal aid, to its current proportion of total state personal income and to provide for exception for a declared emergency.

"2. Prohibit local government from adding new or increasing existing taxes without voter approval.

"3. Prohibit the state from adopting new or expanding present local programs without full state funding.

"4. Prohibit the state from reducing existing level of aid to local governments, taken as a group.

"5. Require voter approval of certain bonded indebtedness.

"Should this amendment be adopted?"

That's the wording of the so-called Headlee Amendment — Proposal E.

† † †
"Proposal H"—

"Proposal to Prohibit the Use of Property Taxes for School Operating Expenses and to Establish a Voucher System for Financing Education of Students at Public and Non - Public Schools." That's voting machine language; paper ballots continue:

"The proposed amendment would:

"1. Prohibit the use of property taxes for school operating expenses.

"2. Require the legislature to establish a program of general state taxation for support of schools.

"3. Require the legislature to provide for the issuance of an educational voucher to be applied toward financing

a student's education at a public or non-public school of the student's, parent's, or guardian's choice.

"Should this amendment be adopted?"

And that, of course, is the so-called Voucher Proposal.

† † †
"Proposal J"—

"Assessment to Reduce Property Tax Assessments; to Establish a Maximum of 5.6% on the Rate of the State Income Tax; to Prohibit Legislature from Requiring New or Expanded Local Programs Without State Funding; and to Allow School Income Tax with Voter Approval."

All that is on voting machines; paper ballots continue:

"The proposed amendment would:

"1. Reduce real and personal property tax assessments to 25% of true cash value of property.

"2. Limit state equalization increase to 2.5% for any year.

"3. Establish a maximum of 5.6% on the rate of the state income tax.

"4. Allow legislature to authorize school districts to levy up to 1% income tax with local school district voter approval.

"5. Prohibit legislature from requiring new or expanded local programs unless fully funded by state.

"Should this amendment be adopted?"

This is the precise wording of the Tisch Amendment on the November ballot.

† † †
Now comes the fun part of this column. How do I intend to vote on these three proposals?

In keeping with an old and hallowed tradition (begun at the last election), the Almanack will indicate how its author plans to vote on statewide proposals, without any intention of trying to persuade anyone else or even of justifying his vote. Make up your own mind. But, some folks have asked me how I plan to vote so here's how:

On Proposal E (the Headlee Plan): I'm going to vote YES.

On Proposal H (the Voucher Plan): I'm going to vote YES.

On Proposal J (the Tisch Amendment): I'm going to vote YES.

The reason? It seems to me that the people want some changes in the directions their governments at all levels seem to be pursuing. For change, the first thing necessary is to get the attention of those in charge.

If all three proposals pass in Michigan, I think those who run government might pay some attention. At least, I'm willing to give it a try. But please, decide for yourself.

Next week, I'll list how I plan to vote on the other eight statewide proposals.

The Barton Wakeleys are planning a quiet 58th anniversary, October 27th. The Wakeleys were married in Grayling on October 27, 1920. Have always made their home in Grayling. To this union there were seven boys and five girls. Through the years they have lost four by death. They have 43 grandchildren and 29 great grandchildren.

Statement by Bishop Szoka on election of Pope John Paul II

Gaylord...I am overjoyed with the news of the election of Cardinal Wojtyla as our new Holy Father. I happen to know him personally and, of course, this adds to my great excitement.

I met Cardinal Wojtyla in the summer of 1976 in Philadelphia at the Eucharistic Congress. Several weeks after he came to Detroit to celebrate a Liturgy in the Polish parishes and to meet some of the Polish decent. Before the mass I had a very pleasant visit with him.

I was in Poland a year ago and while in Posnan I met him and he greeted and embraced me. He spoke to me immediately in English.

Cardinal Wojtyla is the Archbishop of Krakow which is a very large archdiocese located in a city of great culture and history. The Cardinal, himself, is considered an intellectual.

La Leche League Meeting Notice

"Nutrition and Weaning" will be the topic for discussion at the November meeting of Roscommon La Leche League.

The meeting will be held on Thursday, November 2 at 7:30 p.m. at 1945 AuSable Trail, Roscommon. This is the last meeting of this series; a new series will begin in December.

The discussion will include suggestions about nutrition for nursing mothers and their families, as well as information about weaning the breastfed baby.

Expectant mothers are encouraged to attend the series of meetings before the baby arrives. Nursing babies are always welcome. For further information, or for breastfeeding help, call 275-8431.

Brownie Scout Activities

Dear Friends: Hi, this is Brownie Girl Scout troop #143 reporting on what we have done and our plans for the future.

We would first like to thank the Avalanche for printing our articles which we write together in our troop circle. We will be writing the article once each month.

To introduce ourselves we are all second and third grade girls in Grayling Elementary School and our names are: Dawn Baker, Jill Brackenbury, Lori Dean, Christine Horning, Sheryl Klinger, Roxann Kropp, Janice LaDuke, Angie Larson, Shannon Lovely, Leana Marshall, Jenny Money, Ann Marie Moshier, Anita Reddy and Heidi Stephenson.

We finished painting our Halloween picture on the Crawford County Federal Credit Union window. We hope you like it and we thank everyone at the Credit Union for letting us do the painting and for their patience.

We made plans for our Brownie Halloween party on the 31st.

We frosted cookies and made invitations to our parents Oct. 17 for our investiture, which will be October 24.

On November 28 we are going to visit the Senior Citizen Center and take them Christmas centerpieces for their tables.

Have a happy Halloween. Love-Troop #143

dividend -- up to

6 1/2%

We've got a new plan for paying dividends to our members.

The dividend rate goes higher and higher as your savings balance goes up.

You start with a 5% percent dividend on a small balance. You go up to 6% percent on a large balance. The rate is graduated for different sizes of savings accounts.

Best of all, your money is not tied up for years and years. It's available at any time. We pay and compound our dividends to you quarterly!

Here's the dividend plan:

Share Balance	Dividend Rate
\$5 to 2,000	5 1/2%
2,005 to 4,000	5 3/4%
4,005 to 6,000	6%
6,005 to 8,000	6 1/4%
8,005 and up	6 1/2%

We welcome savings accounts for all members of your family. Accounts may be individual or joint.

All accounts are insured up to \$40,000 by NCUA, an agency of the Federal Government.

If You Don't Remember PROHIBITION, Ask Someone Who Does.

Ask about bootleggers, bathtub gin, and a generation of Americans who learned disrespect for the law. Ask them how well the "Noble Experiment" worked — and how a minority can impose their standards on the majority.

Because "Prohibition" is the exact intent of Proposal D on the November ballot! What else can you call a proposal which immediately takes away the right to drink from a half-million young adults? Which drives them out of licensed and supervised establishments...and into cars and parking lots. Before you vote, look at some simple facts:

FACT: Young Adults Are NOT Involved in An Unusual Number Of Accidents! Actually, according to official Michigan statistics taken from the State Police "Michigan Traffic Accident Facts," the percentage of 18- and 19-year-old drivers involved in automobile accidents has decreased significantly since 1966! Secretary of State Richard Austin has stated that there is no basis in traffic statistics for raising the drinking age!

FACT: The Drinking Age Has Already Been Raised To 19! Effective December 3, 1978, a new law makes it illegal for anyone under the age of 19 to buy or consume alcoholic beverages...thus preventing legal drinking by high-school-age youths. Let's give this new law a chance.

FACT: Young Adults Are Responsible! Certainly, no one becomes an adult overnight, but 19- and 20-year-old adults are out of school, holding down good jobs, marrying and starting families, voting, and serving in the armed forces. They are adults in every legal sense. Recognizing this, 80% of our states have drinking ages under 21. Yet Proposal D would strip them of a very basic right. Proposal D is PROHIBITION, pure and simple.

PROHIBITION WAS WRONG THE FIRST TIME...AND IT'S STILL WRONG!

Legion Auxiliary Plans for Christmas

Does it seem a little early to be talking about Christmas? No, really as it will soon be time for the annual American Legion Auxiliary Christmas Gift Shops at the Veteran's Facilities through-out Michigan. Grayling Unit #106 has already completed shopping for the Gift Shop to be held at the Saginaw Veteran's Hospital on Nov. 28, 29, & 30. Veteran's Affairs & Rehabilitation Chairman, Marie Daly and Violet Kehr purchased all of the gifts locally with funds donated during Poppy Days last May.

At the Gift Shop all hospitalized veterans may make selections for gifts for his entire family. They are gift wrapped, tagged and mailed to the veteran's home in time for Christmas. There is absolutely no charge to the veteran. It is just one small way to say THANK YOU to so many who have given so much for our Country.

Ballenger Speaks At Local

G.O.P. Coffee Hour

GRAYLING — Governor William G. Milliken's director of State Licensing & Regulation told a group of Crawford County commissioners and business and civic leaders, that despite recent economically troubled times, outstate rural Michigan has fared better compared to the rest of the state than most people realize.

Speaking Wednesday afternoon at the Chief Shoppenagone Motor Hotel, State Licensing & Regulation Director, William S. Ballenger, pointed out that the number of jobs in Crawford County had increased 65% since 1970 — a far higher rate of increase than the overall 15% hike statewide.

"Despite job problems at Rear Arrheny, there has been some economic improvement in Crawford County, and the Governor deserves a lot of the credit for it with his strong push for Public Act 189," said Ballenger.

"Public Act 198 is the Plant Rehabilitation and Industrial Development Districts Act, and partly because of it Lake Woods Forest Products, Inc., engaged in \$3 million worth of construction which produced 77 new jobs in the county," he added.

Ballenger also noted that Crawford County stood to receive some \$160,000 more funds each year for county roads, city and village streets because of the recent passage of the state transportation package. He pointed out that the urban bus program, the small vehicle (Dial-A-Ride) program, and the inter-county bus system will also be significantly aided by the additional revenue generated by the gas and weight tax increase.

4-H Shutter Bugs Tour Hartwick

The Roscommon 4-H photography club, led by Willard Rosserman, toured Hartwick Pines on Saturday, October 14. The trip gave them experience in photographing a number of natural subjects and historic objects.

One surprise subject was an old hay crib located just north of the park. This gave a study in design consisting of repeated lines. It was also an unusual subject for the young photographers.

Club members Ranae Vanderlake, Paul Willett, Roy Inghusen, Traci and Gerald Sisco, along with Mrs. Lynda Sisco and son Craig, enjoyed a hot dog roast at the park.

Five new members signed up Wednesday, October 18. The new members are Lisa Haines, Nancy and Brad Stauffer, Bonnie Inghusen and Bob Farr.

The first meeting with the expanded club will be Wednesday, November 8, right after school.

Wood Burning ... Yesterday's Energy Today

PART I

Shortages and increased prices are predicted for oil, natural gas, and electricity in the near future. Many Michigan residents felt the crunch during last year's severe winter, and each year the demand for energy grows while our fuel supplies are dwindling.

People throughout the country are looking for other ways to heat their homes, many are turning to wood. During the next few weeks we would like to provide you with some sound advice on the selection, collection, storage, and burning of wood, the oldest new form of energy in America.

It's "Solar Energy"

Firewood is actually a form of solar energy. The process of leaf building in a tree changes energy of the sun and stores it in the tree in the form of wood. When we burn wood, we liberate this energy into our homes. Wood — when it burns completely — is a clean source of energy compared to other fuels.

Unlike fossil fuels, our supply of wood is renewable — that is, we may cut and burn wood, but nature replaces what we burn in a rather short period of time. Coal, oil, and natural gas are, for all human purposes, nonrenewable — that is, nature replaces them over millions of years. For those who have a woodlot from which to cut and haul wood, buying such a stove can be an excellent investment. A 10 to 15 acre woodlot, if properly managed, can supply a family's firewood needs indefinitely. For most of us, of course, that's not possible, but there are other ways to get wood, they can be inexpensive and can produce sizable savings on your fuel bills.

No matter what the species, all wood can theoretically supply about the same amount of heat per pound. However, because of their high resin content, softwoods burn hotter than hardwoods. Softwoods are a group as needle-bearing trees; hardwoods as leaf-bearing trees. Dividing all trees into these groups provides us with a handy generalization. Air-dried Michigan hardwoods will, on the average, supply about 20 to 25 percent more heat than wood left uncovered in the open to soak up moisture outdoors.

Drying Your Wood

For best drying, cut your wood to length, split what is too large for your stove, and stack it where air can move through the pile. Cover the top and upper sides of the pile under plastic or tarpaper, and boards. Keep piles off the ground by stacking them on pole-sized runners or old boards. Unsplit wood dries from the ends to the middle; split wood dries evenly over its length. If there is room in your garage or basement, those drier conditions will decrease drying time. Another trick for drying wood faster is to cut the tree while the leaves are still on, then leave it until the leaves wilt. The attached leaves will draw out moisture rapidly. Dry all wood at least six months and preferably 18 months. Proper drying will not only provide more heat, but will reduce potential creosote problems within your chimney.

Creosote Build-up

Wood combustion occurs in several stages. In stage one, the wood is heated internally and moisture is driven off as water vapor and steam. That's why green wood is not the best for burning. It consumes too much of its potential energy in removing the moisture, most of which escapes up the chimney as water vapor. During stage two, volatile gases, tars, and acids are burned or driven off, and as they leave, the wood breaks down into charcoal. Finally, the charcoal burns leaving only ash. All of these steps occur together in rapid sequence as a fire progresses through a log.

About 60 percent of the potential heat in wood is in the form of those volatile gases. In order to recover and release this energy, the fire must get hot enough to burn them. Included in the gases are tar droplets which

form creosote. Thus, if these gases are left unburned, much of the potential heat is eventually cause a dangerous fire there. Farther on, we'll talk about the type of stoves that overcome these problems.

Helping The Forest

PART II

By harvesting wood for fuel, we can both heat our homes and also help productivity of the forest. People who own woodlots usually manage their trees in the same way — both to produce commercial forest products, and as a source of fuelwood. There are nearly 13 million acres of private woodlots in Michigan. Most of us, of course, do not own woodlots, but we can get free permits from either the DNR or the U.S. Forest Service to take any "dead or downed" trees from public forest lands. There are 3.6 million acres of state forest lands in Michigan and 2.6 million acres of federal forest lands.

Child & Family Services Of Michigan Is Expanding Services

Last October CFSM began a new program of Intensive Foster Care (IFC) for troubled youth. The Office of Criminal Justice Programs helped to fund the first worker, part-time, & get the program off the ground. Teens with special problems who normally have difficulty

being successful in foster homes are paired with trained foster parents. All receive intensive support from a caseworker who is available day and night. Caseloads are kept very small and workers are with the teens and foster families every week. IFC has grown and will soon grow again. Now there are a full-time and a part time worker in Alpena, and a part time worker in Oscoda. Plans are to add a full-time person to recruit and license foster homes. Thanks to a continuation grant through the Office of Criminal Justice Programs a full-time worker will be hired to develop the IFC program in the Gaylord-Grayling area.

A new office will be established and other CFSM services will be offered to the residents of Otsego and Crawford counties, as funding becomes available.

Child & Family Services of Michigan is a private, non-profit agency with offices statewide. The Northeastern Branch serves Alcona, Alpena, Crawford, Iosco, Montmorency, Ogemaw, Oscoda, Otsego, and Presque Isle counties. The main office is at 115 Water Street, Alpena, Michigan. There is also a field office in Oscoda. CFSM offers the community a full range of services including: family counseling, foster care (including IFC), adoption, problem pregnancy counseling, a group home for teenage girls (Hope House) and a group home for mentally retarded adults (Blue Horizons).

For more information about Intensive Foster Care contact Dianne B. Webb at 356-4567.
