- This cost includes a 10 percent contingency.
- The cost does not include the following items:
 - Cost of engineering design
 - Bidding
 - Traffic control
 - Construction review and materials testing during construction

Media Ideas for Council/Caucus Meetings:

Life Eyes Media:

- The cost for Life Eyes Media to film AND stream the meetings is \$278.75 (\$94 to stream FB) per meeting.
- Life Eyes Media can then provide us with the video which can be uploaded to YouTube to viewed on the City Website.

- Total for filming and streaming 24 meetings is \$6690.00.
- YouTube idea: Receive the disc from Life Eyes Media when finished a meeting and then April can upload the video onto YouTube on our city website.

SimpTech Solutions:

- Waiting on a quote for installing a camera system in the Council Room for Council/Caucus meetings from Jacob Nichols, Field Operations Manager with SimpTech Solutions. Was supposed to have received the quote last week but have not heard anything back from Jacob. I sent a follow-up email to Jacob today.

Kenton County Veterans Memorial Armed Forces 5K run/Walk:

- Will be held on May 20th.
- Located at the Lou Hartfiel Memorial Park.
- Run from 7:00am to around 10:00am.
