Report Talking Points:

Grandview Drive and Buttermilk Crossing Street Resurfacing

- Councilmen Barclay asked me to research breaking up the cost for Grandview Drive and Buttermilk Crossing.
- Based on percentages, we came up with the following cost:
 - Grandview Drive would be approximately \$66,675.
 - Buttermilk Crossing would be approximately \$54,550.
- Both streets are in approximately the same condition. Greg does not believe either of the streets have been repaved since construction of them.
 - Grandview was constructed with the State Project in 1993.
 - Buttermilk Crossing was constructed the following year in 1994.
- Greg feels that 30-years is an extremely long time for the initial paving without an overlay, which gives greater urgency to repave them.
- For the best price, it is always better to package as many streets together.
- There is an asphalt price index included in the bid which protects both the contractor and the city with the fluctuation of the cost of liquid asphalt, but inflation will affect the cost of all materials and labor.
- Also, it appears that Fort Mitchell paved their section of Grandview within the last 10 years.

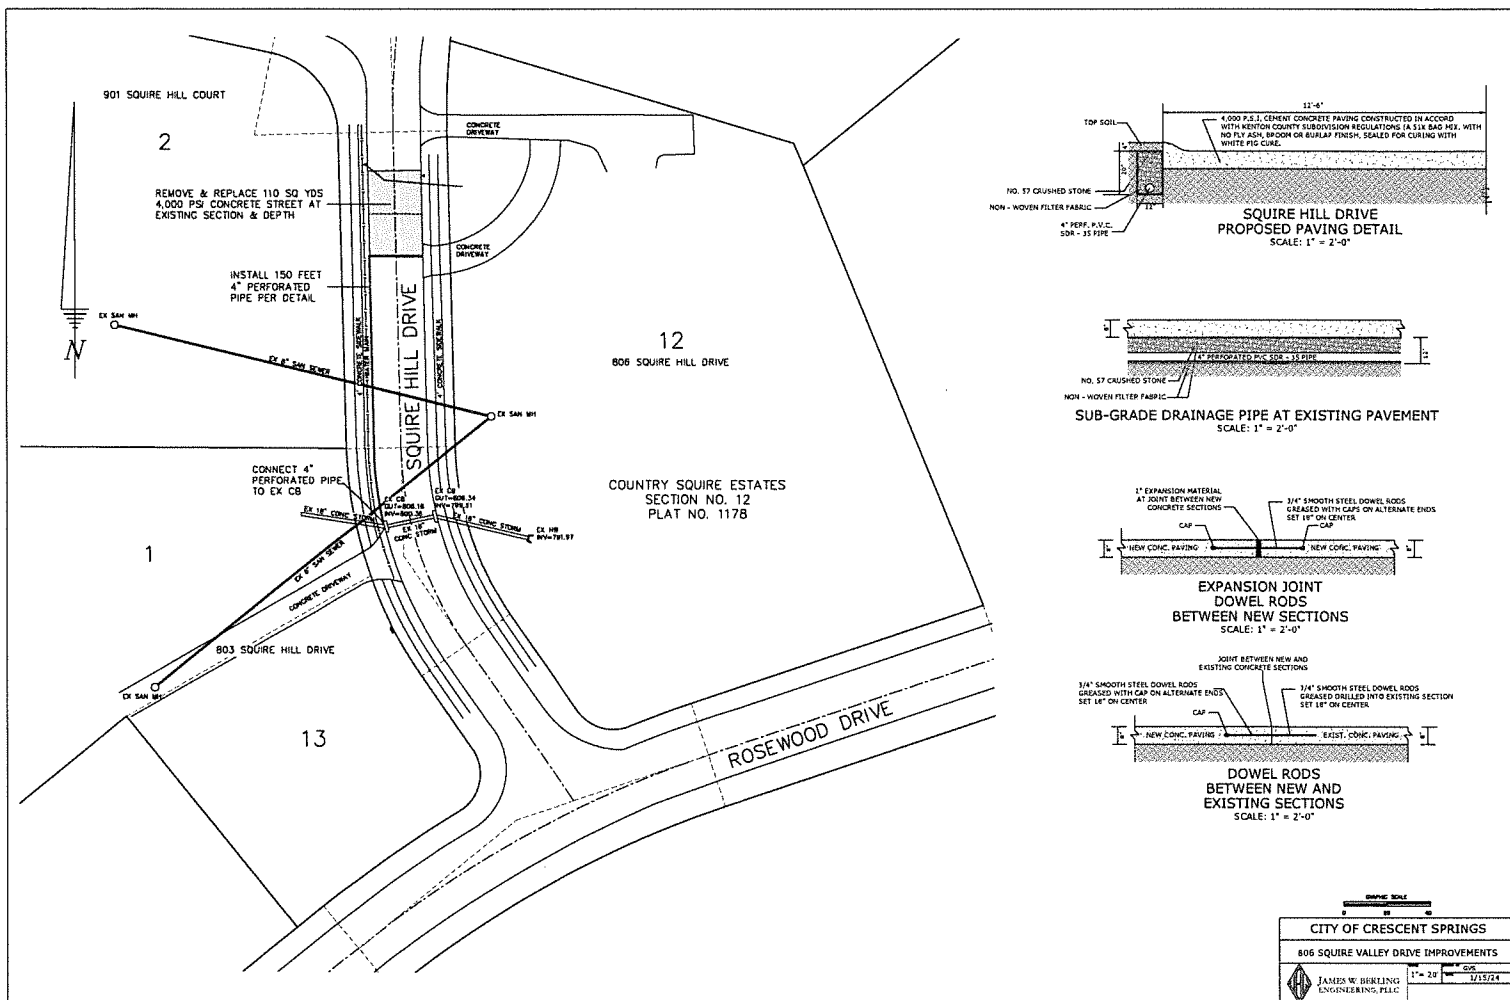

Squire Hill Drive Road project

- Staff is researching Emergency MRA Funding for this road project.
- We have received the following 3-estimates:
 - \$15,550
 - \$27,977
 - \$28,900
 - Waiting on three more quotes.
- Attached is a PDF of Squire Hill Drive Concrete Replacement Plan and pics of the road completed by Greg Sketch.

KLC City Day at the State Capitol

We invite you to join us for City Day/City Night. The yearly event is an excellent opportunity for city officials to network, meet with legislators, and attend committee meetings.

City officials from across the state can visit the KLC Frankfort office throughout the day. The KLC Board of Directors meets at 8:00 a.m. EST. We encourage city officials to attend legislative committee meetings in the Capitol Annex and make an appointment to discuss local issues with your community's legislators. KLC will hold the City Night reception at the Capital Plaza Hotel beginning at 4:30 p.m. EST.

Join us for a day of city advocacy in the state capital. This is a great way for city officials to be part of the process and help enact bills that improve their community!

KLC will cover two nights at the Capital Plaza Hotel for board members. If you have questions about board hotel accommodations, please contact Demita Kubala at 800.876.4552.
