## CITY NEWS

### *Snow Removal*

When the snow flies, please remember that it helps the snow plows to have all cars removed from the roadway. In the event of an actual snow emergency, 3 inches or more, it is mandatory to remove all cars from the roadway. Cars left in the street are subject to being towed by the police department. Snow emergencies will last 24 hours unless extended. As always, we thank you in advance for your help!

### *Christmas Tree Pick Up*

Once the holiday season is over, you may be wondering how to dispose of your live Christmas tree. The city can help! Trees may be dropped off at the Park & Ride at Anderson and Eubanks. Curbside pick up is also available January 1st through the 16th. You may call the Public Works garage at (859) 344-0797 to arrange for curbside pick up. Please note that the trees must be clean and free of all ornaments, lights, strings, hooks and tinsel.

### *Message From The Police Chief*

With the Holiday season approaching, the Villa Hills Police Department would like to remind you to be certain to lock your vehicles and keep valuables out of sight! If you see anything suspicious, please call dispatch at (859) 356-3191.

We are once again at that time of year when thefts and burglaries become more common place. Please follow these simple tips:

- 1) Take the time to remove your valuables from your vehicles. Leaving them in plain view gives criminals more reason to steal.
- 2) Be a good neighbor. Take notice of your surroundings and watch out for each other. If you suspect anything suspicious please make notes and then contact us.
- 3) If you will be traveling for the holidays remember to put in a vacation check with the police department. (859) 341-3535

Together we can make this a Happy and Joyous Holiday Season!

### *Mark your Calendars*
