"Gross subscriber revenues" shall include those revenues derived from the monthly service charge paid by subscribers for basic Cable Television reception service. Subscriber revenues shall not include any state or federal taxes relating to services provided by or fees charged by Grantee, or revenues received as

installation charges and fees for reconnections, inspection, repairs or modifications of any installations.

Such payments by Grantee to City shall be in lieu of any occupation tax, license tax, or similar levy, and shall be paid annually. Nothing herein contained, however, shall in any way relieve Grantee or its assigns or successors from the obligation of paying property taxes to the City of Crooks or any other governmental subdivision of the State of South Dakota or any other taxes lawfully levied by the State of South Dakota on the operation of the Grantee. Such payment also does not affect the responsibility of Grantee to collect state and local sales tax on the service provided.

1. No poles or other wire-holding structures shall be erected by the Grantee without prior approval of the City Engineer with regard to locations, height, type or any other pertinent aspect. However, no locations of any pole or wire-holding structure of the Grantee shall be a vested interest and such poles or structures shall be removed or modified by the Grantee at its own expense whenever the Council determines that the public convenience would be enhanced thereby.

2. There is hereby granted to the extent that the City is authorized to so do, the right and authority to Grantee to lease, rent, or in any other manner obtain the use of towers, poles, lines, cables, and other equipment and facilities from any and all holders of public licenses and franchises within the corporate limits of the City of Crooks, including \_\_\_\_\_, to use such towers, poles, lines, cables and other equipment and facilities, subject to all existing and future ordinances and regulations of the City. It is the stated intention of the City of Crooks that all other holders of public licenses and franchises within the corporate limits of the City shall cooperate with Grantee to allow Grantee's joint usage of their poles and pole-line facilities whenever possible or wherever such usage does not

interfere with the normal operation of said poles and pole-lines so that the number of new or additional poles constructed by Grantee within the City may be minimized.

3. Grantee shall grant to the City, free of expense, joint use of any and all poles owned by it for any proper municipal purpose acceptable to Grantee, insofar as it may be done without interfering with the free use and enjoyment of Grantee's own wires and fixtures, and the City shall hold Grantee harmless from any and all claims, actions, causes of action, or damages caused by the placing of the City's wires or appurtenances upon the poles of Grantee. Proper regard shall be given to all existing safety rules covering construction and maintenance in effect at the time of construction. If, in accommodating the City's joint use of their poles Grantee is required to change or replace poles or install new poles, the City shall compensate Grantee for such additional expense.

XX

Complaints regarding the quality of service, equipment malfunctions and similar matters shall first be directed to Grantee's office. Should Grantee fail to satisfy a complaint, it may then be directed to the City Finance Officer for investigation. In response to a complaint, Grantee shall be afforded a reasonable opportunity to present written statements of its position. The City Finance Officer shall attempt to resolve the complaints, but if this cannot be achieved, he shall submit a recommendation to the City Council recommending that: (1) the complaint be dismissed, or (2) corrective action be taken by Grantee. 2. Should any provision of this Franchise be inconsistent or at variance with any rule, regulation or policy, in whole or in part, of the Federal Communications Commission or any other agency having jurisdiction, such provision shall be invalid, but the remaining provisions hereof shall not be affected thereby.
