

Request for an Exception to Encroach in the RPA Application

I am requesting an exception to allow encroachment into the Resources Protection Area (RPA) on my property. The information provides details of the proposed encroachment into the RPA and summarizes the impacts to the RPA and any mitigation measures proposed to compensate for this encroachment. An attached plan suitable for public hearing (as determined by the Department of Public Works) is required to accompany this request. A review fee is assessed with each Exception Request and is due at the time of submission.

Reason for the encroachment:	
Site Address:	
Parcel Owner Name:	Parcel Owner Phone:
Parcel Owner Email:	Parcel Owner Address:
Engineer Name:	
Engineer Email:	Engineer Phone:
Total RPA on the parcel?	Total land disturbance:
Total amount of RPA to be disturbed:	Was a site assessment submitted to the Town?

Is mitigation per Riparian Buffer Mitigation Manual proposed for RPA exception? yes no

Was the building lot recorded prior to November 1990? yes no

Does the encroachment enter the 50-foot seaward buffer of RPA? yes no

Is the encroachment for an accessory structure? yes no

Does applicant propose impervious surface in the RPA? yes no

Is additional site-specific assessment information attached? yes no
