## Community Services Satisfaction Survey Result Highlights

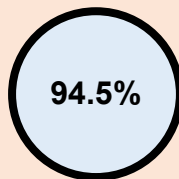

I was treated with respect

The staff were knowledgeable

Overall, I am satisfied with my experience at DuPage County

*“Very satisfied and impressed with the services and experience with the agency.”*

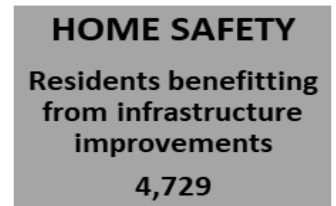

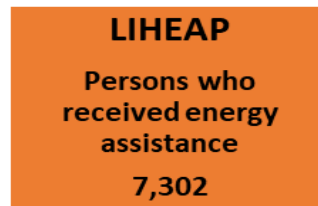

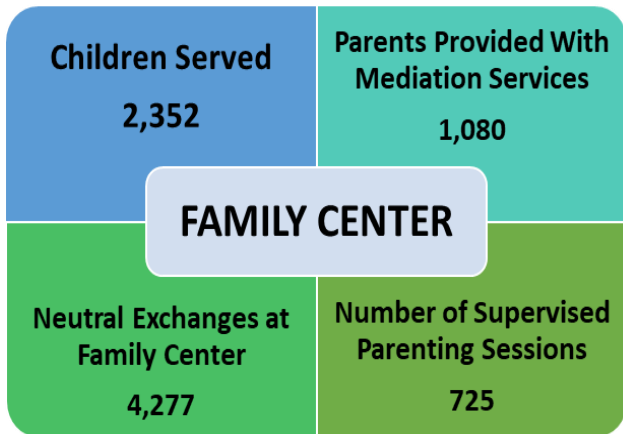

*“I feel every aspect of the agency was excellent. The staff member was very informative, friendly and overall he was a very pleasant person to deal with. I would not change anything about my experience.”*

*“After being denied twice when other persons lived in my home and I was over income, it was hard. But, the staff were persistent in helping me. I just really appreciate their help and the staff being so patient with me.”*

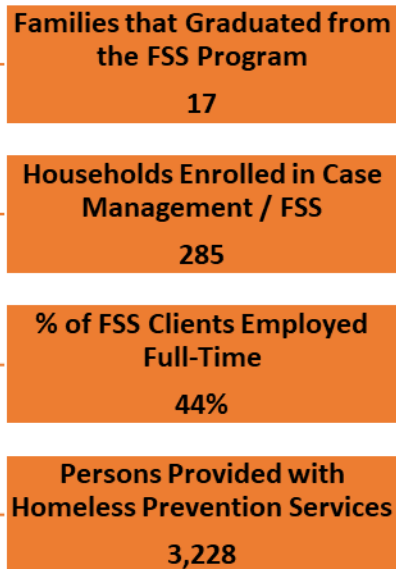

*“The staff was nice and friendly and good services.”*
