Special meetings may be called when needed by the Chairman or upon the call of two (2) members of the Commission. The Chairman must notify each of the Commission members specifying the time and place of such meetings at least three (3) days prior to the meeting. Commission meetings shall be conducted under Roberts Rules of Order and in accordance with the Illinois Open Meetings Act.

- D. QUORUM. At meetings, two (2) members of the Commission shall normally constitute a quorum and shall conduct the business of the Commission. However, when changes in the Rules, Regulations, and Procedures of the Commission are to be considered, all three (3) must be notified and in attendance or have an opportunity to let their views be known in writing. Alternatively, the Commissioners may conduct meetings by telephone in accordance with the resolution outlining procedures for same.

 3. Carefully compile and maintain a record of all disciplinary proceedings, such record to consist of a written transcription of the proceedings, all items introduced into evidence thereat, all written orders and findings of the Commission with respect thereto, and such other items as the Commission shall order placed of record. All objects, documents, and other physical evidence entered into record, unless the party is granted leave to withdraw them by the Commission pursuant to motion brought before the conclusion of the proceedings, shall become property of the Commission. Under no circumstances shall any party or other person be entitled to any kind of payment or compensation from the Commission for any objects, documents, and other physical evidence as a result of their entry into the record. The Commission may allow photographs, copies, or other reproductions to be substituted for original objects, documents, and other physical evidence entered into record upon a determination by the Commission that the photograph, copy, or other reproduction accurately and completely depicts such original, or by stipulation to such by all parties and the parties' waiver of any and all claims, cause and causes of action relating to such substitution.

Those deputies obtaining an overall score of seventy percent (70%) or above on the written promotional exam must submit to an in-person assessment by a panel consisting of Sheriff's administrative personnel from within the Bureau to which promotion is sought and/or administrative personnel from other agencies with experience in the requirements for performing sergeant and/or lieutenant duties within agencies similar to the Bureau to which promotion is sought (e.g. other sheriff's offices, law enforcement agencies, etc.) **AND** obtain a minimum score of fifty percent (50%) on the in-person assessment.
 - f. Those deputies obtaining both an overall score of seventy percent (70%) or above on the written promotional exam **and** a minimum score of fifty percent (50%) overall on the in-person assessment will have calculated a weighted score based upon a weighting calculation involving the in-person assessment score and the written promotional exam score. The total weighted score is calculated by multiplying the in-person assessment score for the promotional cycle (based upon, or converted to, a 100 point scale) by sixty percent (60%), and adding that result to the result obtained by multiplying the written promotional examination score by forty percent (40%) [(In-person Assessment Score x 0.6) + (Written Promotional Exam Score x 0.4) = Weighted Score]. A deputy must score both a minimum of seventy percent (70%) overall on the written promotional exam **and** a minimum score of fifty percent (50%) overall on the in-person assessment to have a weighted score tabulated. The weighted score will be used for ranking candidates on the list of qualified applicants.

- h. Be selected by the Sheriff from the qualified list and appointed to the appropriate position and rank by the Sheriff when a vacancy or vacancies occur and a determination by the Sheriff that the needs of the office so require.
- i. Be found to be in acceptable physical condition to discharge the job functions of the position to which the promotion is sought.
- j. Successfully serve a probationary period of one (1) year during which time the Deputy is subject to being returned to the deputy's tenured rank by the Sheriff.
