The amount of taxes extended at the most recent limiting rate would be \$2,535,224. The amount of taxes that would be extended if this referendum passes would be \$4,803,143.

If the proposition were to pass, the owner of a single-family home with a fair cash market value of \$100,000.00 at the time of the referendum would pay \$121.40 in additional taxes.

If the proposition is approved, the aggregate extension for 2020 will be determined by the limiting rate set forth in the proposition, rather than the otherwise applicable limiting rate calculated under the provisions of the Property Tax Extension Limitation Law (commonly known as the Property Tax Cap Law).
