

DuPage County Environmental, Safety, Health & Property Loss Control Program

Working in a Boat Safety

Purpose: Last year a number of workers drowned in lakes, rivers, ditches and tanks. If you're working in a boat and fall overboard.

Policy: Per OSHA 29 CFR 1926.106(a) requires :

Employees working over or near water, where the danger of drowning exists, shall be provided with U.S. Coast Guard-approved life jacket or buoyant work vests.
