## How do I locate a contracted EyeMed provider?

The EyeMed network consists of thousands of independent and retail contracted providers, including national favorites like LensCrafters®, Pearle Vision, Sears® Optical, Target Optical® and JCPenney Optical. For a list of EyeMed providers near you, visit [bcbsil.com](https://bcbsil.com), and log in to Blue Access for Members<sup>SM</sup> to find a vision provider.

## Do I need a referral?

You don't need a referral. Simply visit any EyeMed contracted provider and show your medical ID card to access your vision care benefits and discounts. You also have online, in-network access to [contactsdirect.com](https://contactsdirect.com) and [glasses.com](https://glasses.com).

## What eyewear options do I have?

As a BCBSIL member, you get to choose from any brand available, including the world's leading frame designers, like Oakley® and Ray-Ban®.

## Do I need a vision ID card?

As long as you have your BCBSIL medical ID card, you do not need a separate vision ID card. However, if you would like a separate card, you can register online at [eyemed.com](https://eyemed.com) or via the EyeMed mobile app to download and/or print a card. You can also just provide your name and date of birth to your provider.
