

**TEMPORARY CONSTRUCTION
EASEMENT**

I _____, as the property owner(s) of the property identified below, hereby grant to the County of DuPage, (acting by and through its employees, contractors, agents or successor), a temporary easement to access my property in order to perform or complete any act or work required pursuant to DuPage County Stormwater Management Certification No.

_____.

The County's authorization to do work within the easement area includes, but is not limited to:

- i. Excavation, filing, grading or re-grading.
- ii. Construction of any required stormwater facilities.
- iii. Restoration and/or mitigation of natural areas, wetlands, and buffers.
- iv. Installation and maintenance of soil erosion control.
- v. Planting or removal of vegetation.
- vi. Post-construction maintenance or monitoring.

This easement grant is irrevocable and shall not terminate or expire until all activities or work required pursuant to Stormwater Management Certification No. _____, including establishing performance criteria for natural area restoration/mitigation, have been satisfactorily completed and obtained any and all regulatory sign-offs and approvals.
