

Notice of Selection

May 25, 2023

Eagle County posted a request for proposals for planning services for development of an Eagle County Open Space plan on 3/20/2023. Four responses were received by the closing date of 4/17/2023. A review committee made up of Open Space, Planning, and Communications staff interviewed all four respondents and met to deliberate the merits of the proposals between 5/15/2023 and 5/22/2023.

Eagle County Open Space and Natural Resources has selected ERO Resources Corporation as the most advantageous regarding price, quality of service, qualifications and capabilities in order to provide the specified service to Eagle County Open Space.
