Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial statements contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

Notes to the Financial Statements
December 31, 2019 and 2018

1. Organization

Riverview Apartments Preservation LP (the "Partnership") is a Colorado limited partnership, formed pursuant to a limited partnership agreement adopted February 2, 2009, and subsequently amended and restated (the "Partnership Agreement"). The Partnership began operations on August 1, 2010. The Partnership's purpose is to renovate, own, and operate a 72-unit apartment project known as "Riverview Apartments" (the "Project") located in unincorporated Eagle County, Colorado. The Project is rented to low-income tenants who are subsidized by the U.S. Department of Housing and Urban Development ("HUD") through a Section 8 Housing Assistance Payments contract ("HAP Contract") with the Partnership. The Project is operated in a manner necessary to qualify for Federal low-income housing tax credits ("Tax Credits"), as provided under section 42 of the Internal Revenue Code.

The General Partner of the Partnership is Riverview Apartments Preservation LLC; a Colorado limited liability corporation (the "General Partner") whose sole member, Eagle County Housing and Development Authority ("ECHDA"), is a component unit of Eagle County, Colorado. The Partnership Agreement also provides for the following limited partners: ECHDA is Special Limited Partner; Alliant Tax Credit 58, LLC, a Florida limited liability company, is Administrative Limited Partner; and Alliant Tax Credit Fund 58, LTD., a Florida limited partnership, is the Investor Limited Partner. In accordance with the Partnership Agreement, profits and losses from operations, and Tax Credits are allocated 0.005% to the General Partner, 0.005% to the Special Limited Partner, 0.01% to the Administrative Limited Partner, and 99.98% to the Investor Limited Partner.

Pursuant to the Partnership Agreement, the Investor Limited Partner is required to provide capital contributions totaling \$3,840,695, subject to potential adjustments based, among other occurrences, on the amount of Tax Credits ultimately allocated to the Project. As of December 31, 2019, all required capital contributions have been made by the Investor Limited Partner, in accordance with the Partnership Agreement.

2. Summary of Significant Accounting Policies

A. Basis of Accounting

The Partnership utilizes the accrual basis of accounting, whereby revenues are recognized when earned and expenses are recognized when incurred.

B. Cash Equivalents

For the purposes of the Statement of Cash Flows, the Partnership defines cash equivalents as all cash, money market, and savings accounts, plus all investments with original maturities of three months or less.

Certificates of deposit held for investment that are not debt instruments and with original maturities of greater than 90 days when purchased are reported as "Investments – Certificates of deposit" in these financial statements.

C. Restricted Assets

Certain of the Partnership's assets are classified as restricted assets because their use is restricted to specific purposes by legally binding commitments. At December 31, 2019 and 2018, the Partnership held restricted cash balances related to security deposits and funding established by the HUD Commitment for Insurance of Advances.

2. Summary of Significant Accounting Policies (continued)

D. Tenant Security Deposits

Tenant security deposits are placed into a separate bank account and are generally held until termination of the underlying tenant lease, at which time some or all deposits may be returned to the lessee.

E. Allowance for Uncollectible Accounts

The Partnership uses the allowance method to recognize the potential uncollectibility of receivables, including amounts due from tenants. At December 31, 2019, the Partnership has recorded an allowance of \$1,680 to provide for amounts which management determined may not be collectible (\$9,800 at December 31, 2018).

F. Fixed Assets

Fixed assets, with an initial cost in excess of \$5,000, are recorded at cost. Depreciation on the building structures and major improvements is computed using the straight-line method, over an estimated useful life of 30 years. Depreciation on furniture and equipment is computed using the straight-line method, over an estimated useful life of 7 years.

G. Deferred Costs

Deferred costs include fees incurred to obtain the Project's tax credit status and are amortized on a straight-line basis over the 10-year term of the Tax Credits.

H. Debt Issuance Costs

Debt issuance costs incurred in connection with obtaining long-term financing for the Partnership and are amortized to interest expense over the 40-year term of the HUD-insured Mortgage using the straight-line method, which approximates the effective interest method. The unamortized amount is presented as a reduction of long-term debt on the balance sheet.

I. Revenue Recognition

Rental revenue attributable to residential leases is recorded when due from residents, generally upon the first day of each month. Rental payments received in advance are deferred until earned. Leases are for periods of up to one year, with rental payments due monthly.

J. Income Taxes

In accordance with federal and state income tax regulations, taxes are levied on the partners in their individual capacity. Consequently, no provision for federal or state income taxes is reflected in the accompanying financial statements.

Income tax returns of the Partnership are subject to examination by the Internal Revenue Service and the Colorado Department of Revenue. The Partnership's returns are no longer subject to examination for tax years prior to 2016 by the Internal Revenue Service and for tax years prior to 2015 by the Colorado Department of Revenue.

K. Subsequent Events

Management has evaluated subsequent events through March 24, 2020; the date these financial statements were available to be issued.

L. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Actual results could differ from those estimates.

3. Restricted Cash and Investments

The Partnership's restricted cash and investment balances are comprised of the following at December 31, 2019 and 2018:

	<u>2019</u>	<u>2018</u>

As a condition of securing HUD's commitment to insure certain mortgage indebtedness of the Partnership in connection with the acquisition of the Project (the "Commitment"), the Partnership was required to establish a Working Capital Escrow from the mortgage proceeds. The Working Capital Escrow is to be held for a period ending one year after the date of substantial completion of the Project as determined by HUD, with any remaining balance to be refunded to the Partnership.

The Commitment and the Partnership Agreement require the Partnership to establish and maintain an Operating Deficit Reserve sufficient to meet three months of expenses of the Project – defined by the Partnership Agreement as being equal to \$478,296 and funded from the Investor Limited Partner's required capital contributions.

The Partnership is required by the terms of the Commitment and the Partnership Agreement to establish a Replacement Reserve, with an initial deposit of \$690,000 funded from the Investor Limited Partner's required capital contributions. Thereafter, following completion of rehabilitation of the Project, the Partnership is required to make annual contributions to the Replacement Reserve in an amount equal to the greater of \$35,600 or \$494 per unit (increased annually by 2.5%). This account is to be used to make capital improvements and repairs to the Project.

8. Long-term Debt

A. HUD-Insured Mortgage Note Payable

In August 2010 and in connection with the acquisition of the Project, the Partnership entered into a mortgage note agreement (the "HUD-insured Mortgage") with Dougherty Mortgage, LLC ("Dougherty") in the principal amount of \$8,900,000. The HUD-insured Mortgage is insured by HUD under section 221(d)(4) of the Housing and Community Development Act of 1992, as amended, and is secured by a first deed of trust on the Project. Amounts were advanced on the HUD-insured Mortgage as the renovation of the Project proceeded, with the full \$8,900,000 principal balance in 2011. Interest accrues on the principal amount outstanding at 5.3% per annum, with monthly interest-only payments beginning September 2010 and continuing until May 2011.

Beginning June 2011, the HUD-insured Mortgage converted to a permanent loan, with blended monthly payments of \$44,699 until maturity in May 2051. Unless otherwise directed by HUD, the HUD-insured Mortgage may not be prepaid prior to June 2013, and any prepayment from June 2013 through May 2021 will require the Partnership to pay Dougherty a prepayment penalty equal to between 8% and 1% of the prepayment amount (dependent on timing of prepayment).

During 2019, the Partnership incurred interest on the HUD-insured Mortgage totaling \$436,969 (2018 – \$442,089). At December 31, 2019, the principal balance of the HUD-insured Mortgage was \$8,198,891 (\$8,297,869 at December 31, 2018) and accrued interest payable was \$36,212 (\$36,649 at December 31, 2018). The HUD-insured Mortgage is reported on the December 31, 2019 balance sheet net of unamortized debt issuance costs of \$249,757 (2018 – \$257,940).

Future minimum principal payments in each of the next five years following December 31, 2019, and for five-year increments thereafter, are as follows:

B. Pre-Development Note – ECHDA

In August 2010 and in connection with the acquisition of the Project, the Partnership executed a promissory note with ECHDA (the “Pre-Development Note”) in the principal amount of \$2,172,000. The Pre-Development Note, which matures August 1, 2065 and bears interest at 3.94% per annum, is secured by a second deed of trust on the Project. Annual payments may be made on the Pre-Development Note on or before June 1 of each year, beginning in 2011, to the extent of the Project’s Surplus Cash, as defined, for the immediately preceding year.

During 2019, the Partnership accrued interest expense of \$118,487 in respect of the Pre-Development Note (2018 – \$113,996). 10. Partnership Agreement – Distribution and Application of Cash Flow

The Partnership Agreement provides that the Partnership's Cash Flow (the excess of Cash Receipts over Expenditures) for each year is to be distributed in the following order of priority:

- i) To the Investor Limited Partner in an amount equal to any unpaid Housing Tax Credit Shortfall Payment;
- ii) To replenish any funds disbursed from the Operating Deficit Reserve Account until the Operating Deficit Reserve Account is funded to the Operating Reserve Amount;
- iii) To pay interest on any loans, including Voluntary Loans (but excluding Operating Loans, Deferred Development Fee, Second Priority Loan, Third Priority Loan, Fourth Priority Loan, and Fifth Priority Loan) from Partners or their Affiliates provided for herein, pro rata in accordance with the amount of interest accrued as of the date of such distribution;
- iv) To repay principal of any loans, including Voluntary Loans (but excluding Operating Loans, Deferred Development Fee, Second Priority Loan, Third Priority Loan, Fourth Priority Loan, and Fifth Priority Loan) payable to Partners or their Affiliates, pro rata in accordance with the amount of the principal balances as of the date of such distribution;
- v) To pay in full any unpaid Asset Management Fees;
- vi) To pay in full any unpaid and accrued Management Fee;
- vii) To pay in full any unpaid Development Fee;
- viii) To pay in full any accrued and unpaid Partnership Management Fees;
- ix) To pay in full any outstanding principal or interest on the Second Priority Loan;
- x) To pay in full any outstanding principal or interest on the Third Priority Loan;
- xi) To pay in full any outstanding principal or interest on the Fourth Priority Loan;
- xii) To pay in full any outstanding principal or interest on the Fifth Priority Loan;
- xiii) To pay in full any Operating Loans; and
- xiv) The balance to be paid 0.005% to the General Partners, 0.005% to the Special Limited Partner, 0.01 % to the Administrative Limited Partner and 99.98% to the Investor Limited Partner. However, the Investor Limited Partner is not to receive less than 10% of the distributions made pursuant to sections (viii) and (xiii) above.

The Partnership did not generate positive Cash Flow, as defined, for 2019 and 2018.

11. Low-Income Housing Tax Credits

The Partnership expects to generate Tax Credits aggregating to \$5,508,950, which generally will become available for use by the Partners, pro rata, over a ten-year credit period, which began in 2011. In order to qualify for the Tax Credits, the Project must comply with various federal and state requirements which include, but are not limited to, renting to low-income tenants at rental rates which do not exceed specified percentages of area median gross income for the first 15 years of operation. The Partnership has also agreed to maintain and operate the Project as low-income housing for another 15 years after the above period ends. Because the Tax Credits are subject to ongoing compliance with certain requirements, there can be no assurance that the aggregate amount of Tax Credits will be realized and failure to meet all such requirements may result in generating a lesser amount of Tax Credits than expected.

At December 31, 2019, the Project had generated cumulative Tax Credits of \$4,912,068 (\$4,361,173 at December 31, 2018).

12. HUD Contract

Effective August 1, 2010, the Partnership was assigned a HAP Contract with HUD to subsidize tenant rents. Based on the resources and income of each tenant, HUD determines the HAP subsidy to be provided to the Partnership. The HAP Contract has a 20-year term, expiring November 1, 2029. During the year ended December 31, 2019, the Partnership earned HAP subsidies totaling \$717,950 (2018 – \$708,612).

B. Credit Risk

The Federal Deposit Insurance Corporation (the “FDIC”) insures up to \$250,000 per depositor at each separately chartered FDIC-member financial institution, without regard to the nature of the accounts. At December 31, 2019, the Partnership’s uninsured cash balances totaled \$776,459 (\$727,070 at December 31, 2018).

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

**To the Partners
Riverview Apartments Preservation LP
Eagle County, Colorado**

Report on Internal Control Over Financial Reporting and Compliance

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Riverview Apartments Preservation LP (HUD Project No. 101-35641), a Colorado limited partnership, which comprise the balance sheet as of December 31, 2019, and related statements operations, changes in partners' capital and cash flows for the year then ended and the related notes to the financial statements, and have issued our report thereon dated March 24, 2020.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Riverview Apartments Preservation LP's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on financial statements, but not for the purpose of expressing an opinion on the effectiveness of Riverview Apartments Preservation LP's internal control. Accordingly, we do not express an opinion on the effectiveness of Riverview Apartments Preservation LP's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

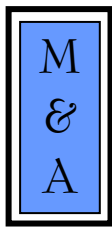

As part of obtaining reasonable assurance about whether Riverview Apartments Preservation LP's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an object of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Riverview Apartments Preservation LP's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Riverview Apartments Preservation LP's internal control and compliance. Accordingly, this report is not suitable for any other purpose.

**To the Partners
Riverview Apartments Preservation LP
Eagle County, Colorado**

Report on Compliance for Each Major HUD Program

We have audited the compliance of Riverview Apartments Preservation LP (HUD Project No. 101-35641), a Colorado limited partnership, with the compliance requirements described in the *Consolidated Audit Guide for Audits of HUD Programs* (the "Guide") that could have a direct and material effect on each of Riverview Apartments Preservation LP's major U.S. Department of Housing and Urban Development ("HUD") programs for the year ended December 31, 2019. Direct and material compliance requirements associated with the Housing Assistance Payment program include federal financial reports; fair housing and non-discrimination; cash receipts; cash disbursement; tenant application, eligibility, and re-certification; units leased to extremely low-income families; and tenant security deposits. Direct and material compliance requirements associated with the Insured Loan program include federal financial reports; fair housing and nondiscrimination; mortgage status; replacement reserves; distributions to owners; equity skimming; cash receipts; cash disbursements; tenant security deposits; management functions; unauthorized change of ownership/ acquisition of liabilities; and unauthorized loans of project funds.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its HUD Programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Riverview Apartments Preservation LP's major HUD programs based on our audit of the compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and the Guide. Those standards and the Guide require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the compliance requirements referred to above that could have a direct and material effect on a major HUD-assisted program occurred. An audit includes examining, on a test basis, evidence about Riverview Apartments Preservation LP's compliance with those requirements and performing such other procedures as we consider necessary in the circumstances.

INDEPENDENT AUDITOR'S REPORT
To the Partners
Riverview Apartments Preservation LP
Eagle County, Colorado

Opinion on Each Major HUD Program

In our opinion, Riverview Apartments Preservation LP complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major HUD programs for the year ended December 31, 2019.

Report on Internal Control Over Compliance

Management of Riverview Apartments Preservation LP is responsible for establishing and maintaining effective internal control over compliance with the compliance requirements referred to above. In planning and performing our audit of compliance, we considered Riverview Apartments Preservation LP's internal control over compliance with the requirements that could have a direct and material effect on each major HUD program to determine the auditing procedures that appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major HUD program and to test and report on internal control over compliance in accordance with the Guide, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Riverview Apartments Preservation LP's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a compliance requirement of a HUD program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a compliance requirement of a HUD program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a compliance requirement of a HUD program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Purpose of This Report

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Guide. Accordingly, this report is not suitable for any other purpose.
