INDEPENDENT AUDITOR'S REPORT

**To the Partners
Seniors on Broadway LP
Eagle, Colorado**

Opinion

We have audited the accompanying financial statements of Seniors on Broadway LP (the "Partnership"), a Colorado limited partnership, which comprise the balance sheets as December 31, 2021 and 2020 and the related statements of operations, changes in partners' capital, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the financial position of the Partnership as of December 31, 2021 and 2020 and the results of its operations, the changes in partners' capital, and its cash flows for the years then ended, in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Partnership and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Partnership's ability to continue as a going concern for one year after the date that the financial statements are issued.

INDEPENDENT AUDITOR'S REPORT

**To the Partners
Seniors on Broadway LP
Eagle, Colorado**

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Partnership's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Partnership's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Notes to the Financial Statements
December 31, 2021 and 2020**

1. Organization

Seniors on Broadway LP (the "Partnership") is a Colorado limited partnership which was formed pursuant to a partnership agreement adopted September 14, 2007, and amended and restated October 1, 2007 (the "Partnership Agreement"). The Partnership is to develop, own, and operate a 14-unit apartment project known as "Seniors on Broadway" (the "Project") and located in Eagle, Colorado. The General Partner of the Partnership is Seniors on Broadway LLC; a Colorado limited liability corporation (the "General Partner") whose sole member, Golden Eagle Elderly Housing Corporation ("Golden Eagle"), is a component unit of Eagle County, Colorado (the "County"). The Limited Partner is NDC Corporate Equity Fund VII, L.P.; a Delaware limited partnership (the "Limited Partner"). Units within the Project is rented to low-income senior citizen tenants and is operated in a manner necessary to qualify for federal low-income housing tax credits as provided under section 42 of the Internal Revenue Code.

In accordance with the Partnership Agreement, profits and losses from operations, and low-income housing tax credits are allocated 99.99% to the Limited Partner and 0.01% to the General Partner.

Pursuant to the Partnership Agreement, the Limited Partner is required to provide capital contributions totaling \$1,926,381; subject to potential adjustments based, among other occurrences, on the amount of low income housing tax credits ultimately allocated to the Project. At December 31, 2021 and 2020, all required capital contributions had been made by the Limited Partner.

2. Summary of Significant Accounting Policies

A. Basis of Accounting

The Partnership utilizes the accrual basis of accounting, whereby revenues are recognized when earned and expenses are recognized when incurred.

B. Cash Equivalents

For the purposes of the Statement of Cash Flows, the Partnership defines cash equivalents as all cash, money market, and savings accounts, plus all investments with original maturities of three months or less.

C. Restricted Assets

Certain of the Partnership's assets are classified as restricted assets because their use is limited to specific purposes by legally binding commitments. At December 31, 2021 and 2020, the Partnership held cash balances restricted for tenant security deposits and certain funding requirements imposed by the Partnership Agreement.

D. Tenant Security Deposits

Tenant security deposits are placed into an interest-bearing account and are generally held until termination of the underlying tenant lease, at which time some or all of the deposit may be returned to the lessee.

2. Summary of Significant Accounting Policies (continued)

E. Allowance for Uncollectible Accounts

The Partnership uses the allowance method to recognize the potential uncollectibility of receivables, including amounts due from tenants. At December 31, 2021, the Partnership has recorded an allowance of \$830 to provide for amounts which management determined may not be collectible (2020 – \$2,202).

F. Fixed Assets

Fixed assets with an initial cost in excess of \$5,000 are recorded at cost. Depreciation of the building structures and major improvements is computed using the straight-line method over an estimated useful life of 40 years.

G. Debt Issuance Costs

Debt issuance costs incurred in connection with obtaining long-term financing for construction of the Project are capitalized and amortized to interest expense over the 40-year term of the underlying promissory note using the straight-line method, which approximates the effective interest method. The unamortized amount is presented as a reduction of long-term debt on the balance sheet.

H. Revenues and Revenue Recognition

The Partnership's primary source of revenue is rentals attributable to residential leases, which is recorded when due from residents, generally upon the first day of each month. Rental payments received in advance are deferred until earned. Leases are for periods of up to one year, with rental payments due monthly. The Partnership has determined that rental revenues are exempted from generally accepted accounting principles governing contracts with customers, but are subject to current and future lease standards.

I. Income Taxes

In accordance with federal and state income tax regulations, taxes are levied on the partners in their individual capacity. Consequently, no provision for federal or state income taxes is reflected in the accompanying financial statements of the Partnership.

The income returns of the Partnership are subject to examination by the Internal Revenue Service and the Colorado Department of Revenue. The Partnership's returns are no longer subject to examination for tax years prior to 2018 and for tax years prior to 2017 by the Colorado Department of Revenue.

J. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Actual results could differ from those estimates

K. Subsequent Events

Management has evaluated subsequent events through March 15, 2022; the date these financial statements were available to be issued.

5. Note Payable – Eagle County

The Partnership executed a promissory note with the County on October 1, 2007, in the principal amount of \$1,315,000. The note, which matures December 31, 2050, is secured by a deed of trust on all constructed leasehold improvements related to the Project. Interest accrues and compounds annually at a fixed rate of 3.2% per annum, which approximates the effective interest rate.

The promissory note calls for annual principal payments to be made on or before June 1 to the extent available from the Project's Residual Receipts for the immediately preceding year.

For the purposes of the promissory note, "Residual Receipts" is defined to include all rents, revenues, consideration or income (including capital contributions) derived by the Partnership in connection with or relating to the leasing or operation of the residential units of the Project, including any revenue derived from any refinancing of the Project, less customary and reasonable costs and expenses in connection with the operation and maintenance of the Project; all payments of Asset Management Fees, General Partner Management Fees and any deferred Developer Fees; and all amounts reserved by Borrower as a replacement reserve and an operating reserve for the Project as required by the Limited Partner.
