Dear Marian:

In 2018, Eagle County has identified and will contract with non-profit organizations that fill a critical service gap aligned with the County's strategic priorities. Your organization has been identified as a service partner for 2018, with \$15,000 allotted from Eagle County's portion of Payment in Lieu of Taxes (PILT) from the federal government. Eagle County Government partners with the Eagle County School District to administer and distribute PILT funds. School District staff will coordinate the distribution of PILT funding with your organization.

We appreciate your leadership in building the community and advancing Eagle County's strategic priorities. We look forward to working with you on "creating a better Eagle County for all."

Sincerely,

Eagle County Board of Commissioners
