Re: Coal Basin Monument

To whom it may concern:

The Eagle County Board of Commissioners is pleased to offer a letter for support for the creation of the Coal Basin Monument.

There is great value in marking the historical importance of the mining industry and the people who gave their lives to this profession.

Our state and local communities would not be who we are without the contributions from miners.

We thank you for the thoughtful creation of the Coal Basin Monument so their contributions will never be forgotten.

Best of luck to you and your fundraising efforts.

Sincerely,

Kathy Chandler-Henry
