Dear Julia:

For 2018, Eagle County has identified and will contract with non-profit organizations that fill a critical service gap aligned with the County's strategic priorities. Your organization has been identified as a service partner for 2018, with \$87,500 allotted from Eagle County's portion of Payment in Lieu of Taxes (PILT) from the federal government. \$10,000 of this total is specifically for Family Leadership Training Institute.

Eagle County partners with the Eagle County School District and Roaring Fork School District to administer and distribute these PILT funds. School District staff will coordinate the distribution of PILT funding.

We appreciate your leadership in building the community and advancing Eagle County's strategic priorities. We look forward to working with you on "creating a better Eagle County for all."

Sincerely,

Eagle County Board of Commissioners
