RE: US 6 Avon to Dowd Junction

Dear Mr. Goolsby,

Thank you for the opportunity to collaborate with you in designing a road diet to incorporate a recreational path through the Eagle Vail business district. We believe this project will greatly enhance the area with the addition of the Eagle Vail Trail for alternate transportation that is greatly needed.

As such, Eagle County is committing \$60,000 towards the design of the Eagle Valley Trail in this area. Please know we will be looking for grants and other funding opportunities between now and construction. Although financial obligations payable after the current year are contingent upon funds for that purpose being appropriated, budgeted, and otherwise made available, we commit to bring these local funds for this project.

Thank you for your continued commitment and support in addressing the multi-modal transportation needs of Eagle County. We very much look forward to working with you and the CDOT staff in completing this project. Please do not hesitate to contact Kevin Sharkey at 328-3523 for additional information or assistance.

Sincerely,

**Eagle County Board of Commissioners**

Jeanne McQueeney
