Dear OBH Grant Evaluation Committee,

It is with pleasure that I provide this letter of intent in support of Rocky Mountain Youth Corps' (RMYC) "Assets for a Healthy Adolescence" (AHA) through youth crews program.

Eagle County has supported RMYC youth programs since 1997, and continue to provide advocacy annually. RMYC's founding CEO, Gretchen Van De Carr, has been an active member of many local youth-serving organizations and coalitions, and has been a positive force in successful and comprehensive collaboration in our local communities.

RMYC's programs have served local northwest Colorado youth for over 25 years and have a proven track record of positive outcomes towards substance use prevention in youth ages 11-18 years. RMYC's mission, vision, goals and outcomes align directly with the Eagle County's priorities.

This letter serves as a commitment for Eagle County to continue to work with and support the efforts of RMYC's "AHA" Program.

Sincerely,

Board of County Commissioners
