Dear Jon:

In 2019, Eagle County has identified and will contract with non-profit organizations that fill a critical service gap aligned with the County's strategic priorities. Your organization has been identified as a service partner for 2019. Funding will come from two sources: Eagle County's portion of Secure Rural Schools and Community Self-Determination Act funding (formerly referred to as Payment in Lieu of Taxes) (SRS) in the amount of \$55,000 and Eagle County's General Fund in the amount of \$45,000 for total funding of \$100,000. Eagle County partners with the Eagle County School District and Roaring Fork School District to administer and distribute these SRS funds. School District staff will coordinate the distribution of SRS funding.

The portion of funds that are distributed through Eagle County's General Fund will be subject to our contracting procedures as in past years. Additionally, Eagle County Board of Commissioners may request your participation in a work session following the submittal of your organization's required performance reporting.

We appreciate your leadership in building the community and advancing Eagle County's strategic priorities. We look forward to working with you on "creating a better Eagle County for all."

Sincerely,

Eagle County Board of Commissioners
