Re: COSI County Allocation - Letter of Support

Dear Ms. Banker:

Please accept this letter of support on behalf of Eagle County for the application being submitted by YouthPower365 to the Colorado Opportunity Scholarship Initiative - County Matching Scholarships. We have again partnered with YouthPower365 to raise matching dollars and serve as the fiscal agent for the distribution of funding available (\$36,898) through the Matching Student Scholarships grant for Eagle County. This is the only application that will be made for this funding on our behalf. This letter of support is valid for the next five years, through the 2025 COSI funding round, or until the County withdraws permission in writing to YouthPower365.

We look forward to working with YouthPower365 to increase access and affordability to higher education for the residents of Eagle County.

Sincerely,

Board of County Commissioners
