Re: US 6 Avon to Down Junction - CDOT Project 22498

Dear Mr. Goolsby,

Thank you for the opportunity to collaborate with you in the construction of CDOT Project 22498 (resurfacing US 6 Avon to Dowd Junction) and incorporate a bus stop in the EagleVail business district. We believe the inclusion of an additional bus stop in the project will increase safety for motorists and transit users as well as contributing to the efficiency of US 6.

As part of this project, Eagle County is committing \$6,000 towards the construction of a bus stop in the eastbound direction for the Highway 6 and EagleVail Business District stop in front of the Vail Daily building.

Thank you for your continued commitment and support in addressing the transit and transportation needs of Eagle County. We look forward to working with you and the CDOT staff in completing this project. Please do not hesitate to contact Jared Barnes at (970) 328-3528 for additional information or assistance.

Sincerely,

Kathy Chandler-Henry
