The Honorable Lauren Boebert
United States House of Representatives
1419 Longworth House Office Building
Washington, DC 20515

Dear Representative Boebert,

We hope this letter finds you well. We write to ask for your support for the CORE Act now before Congress. Eagle County's numerous user groups have worked tirelessly on this Act for many years. Diverse constituents including snowmobilers, hunters, anglers, mountain bike riders, wilderness advocates, wildlife supporters, and hikers have engaged in collaborative work to draw the boundaries and create the management plans for these special areas. The CORE Act also includes designation of Camp Hale as the first ever National Historic Landscape. As you know, Camp Hale is important to the Tenth Mountain Division of our armed forces, serving as a training ground for snow forces critical to success in World War II. Camp Hale was also the launching grounds for Colorado's Ski Industry.

Our economy in Eagle County is powered in large part by the outdoor recreation industry. The CORE Act is vital to our environment, our wildlife and our economy.

Please support the CORE Act. We would be glad to discuss this bill with you in greater detail, and we look forward to meeting with you in person (or by Zoom) anytime you are back in your District.

Sincerely,

Eagle County Board of Commissioners
