Volcanic View Cooperative
PO Box 4122
Gypsum, CO 81637

Dear Volcanic View Cooperative,

Eagle County's strategic priorities provide our road map as we allocate resources, gauge our performance and ensure we are delivering quality services to our constituents. The plan will allow us to implement the county's mission of "Creating a Better Eagle County for All." Priorities include supporting our workforce, creating a resilient economy, and protecting our mountain ecosystem. The preservation of 82 housing units at the Dotsero Mobile Home Park is of the utmost importance to Eagle County as it aligns with our priority of supporting our workforce. We are committed to continued investment in the individually owned mobile homes at the park through our support of the weatherization and beneficial electrification of Eagle County homes programs, both of which are being implemented by the Northwest Colorado Council of Governments.

To this end, Eagle County is committed to providing an earnest money deposit in the amount of \$20,000 to the Volcanic View Cooperative to assist in its effort to purchase the land and convert it to a resident owned community.

Sincerely,

Jeanne McQueeney
