RE: Economic Development Organization Action Grant

To Whom it May Concern,

Please accept this letter of support to apply for the EDO Action Grant.

Vail Valley Works Industry Groups have the intention of bringing businesses together to explore challenges and share best practices. The industry groups offered in 2023, Women in Business, C-Suite, Outdoor Recreation, and Food & Beverage will address key sectors in our county and bring together much needed resources, ideas and networking. The goal of this being stronger business practices, more shared resources and ideas and a larger sense of community within industry will have positive outcomes across our valley.

Eagle County is excited to partner with Vail Valley Partnership to bring this important programming to our business and community. This programming will serve an important and underserved need of business collaboration, in addition to making new connections across Eagle County.

We fully support Vail Valley Works applying for the EDO Action Grant.

Sincerely,

Kathy Chandler-Henry
