B) PUBLIC HEARING TO CONSIDER THE ADOPTION OF THE TOWN OF EASTCHESTER'S 2026 CALENDAR BUDGET

Supervisor Colavita initiated a discussion on the Public Hearing to consider the adoption of the Town of Eastchester 2026 calendar budget. The Public Hearing Notice Affidavit of Publication was received.

Supervisor Colavita started out by reading the salaries of Elected Officials incorporated in said preliminary budget as follows:

		Each	Total
Supervisor	(1)	$98,093	$ 98,093
Council Members	(4)	$22,000	$ 88,000
Judges	(2)	$50,000	$100,000
Receiver of Taxes	(1)	$77,100	$ 77,100
Town Clerk	(1)	$95,233	$ 95,233

The Supervisor mentioned that the proposed 2026 Budget is $45,488,499 and that the Town has been prudent and responsible with this Budget. He also made the following remarks about the 2026 Budget:

The 2026 Town Outside budget will generate a 1.98% property tax rate increase which amounts to an average assessment of $4.83 per month for an average house in Eastchester. For the two Villages there is a $2.78 per month increase for the Village of Bronxville and a $1.01 per month for the Village of Tuckahoe for an average assessed house in their respective Villages.

This marks the 14th straight year that Eastchester has kept the tax levy below the New York State (2%) tax cap. We have a 0% fiscal stress from the New York State Comptroller and Moody's has again in July of 2024, reaffirmed our Aaa rating which is key in keeping our borrowing rates low. We have also reduced our full-time staff over the years by 26%. This helps as almost 70% of the budget is related to personnel costs. Pension costs are up about 9% again even though the market is peaking, we continue to pay more for pensions to the New York State Comptroller. Our average budget increase has been slightly above 1% over the last 5 years and slightly above 1.5% over the last 10 years. We have excellent reserves and our debt to loan ratio is superb.

Before going to the Public, Supervisor Colavita turned things over to Comptroller Dawn Donovan for her presentation.

Comptroller Dawn Donovan then presented an overview of the 2026 Budget. Her presentation contained the following information:

The Town 2026 Budget is $45,488,499 which is $2,664,832 over last year and the largest portion of the budget is the Town Outside Budget.

The breakdown of the Budgeted Expenses for 2026 are as follows: General Fund Town Outside (36.01%), Library (5.51%), Highway (12.88%), Lake Isle (11.13%), Refuse District (8.24%), Street Lighting District (0.67%) and the General Fund (25.55%).

For residents in the Eastchester School District, less than 14% of your taxes go to the Town with the remainder of your taxes going to the Fire District (14.7%), the County (22.11%) and the School District (49.22%). For Residents in the Tuckahoe School District, less than 20% of your taxes go to the Town with the remainder of your taxes going to the Fire District (20.95%), the County (31.48%) and the School District (27.69%).

The Town has a very good collection rate, we are at 97.95%. Town Comptroller Donovan reiterated that this is the 14th year under the Tax Cap, the Town has a Aaa Moody's Bond Rating and that we have a 0% stress rating per the New York State Comptroller' Office.

She also reiterated that the average assessment for a home in Eastchester is $4.83 monthly, for Tuckahoe it's $1.01 monthly and for Bronxville it's $2.78 monthly.

From an expense standpoint, our Heath Insurance has gone up 6%. The Retirement System expenses have gone up substantially. Sales Taxes are still strong and Mortgage Tax Revenues are little less than last year. All of our Union Contracts have been settled through 2028 and there are no increases for the salaries for the Supervisor, Town Board & Judges.

The Town's pension obligation for the year is going to be $4.3M which is $366,000 over last year. In 2004 it was $104,000.

Full-time staffing is down from 194 in 2004 to 148 in 2026, a 25% reduction.

Supervisor Colavita then opened up the public portion of the Public Hearing. He asked if anyone in the public wanted to address the Town Board on the Budget. There were none.

The Supervisor then introduced the following Lake Isle line item Amendments to the 2026 Budget:

- In line item E 3600.450 - Contractual Services, the Preliminary Budget had $927,341 and it will be reduced by $90,000 to $837,341

- In Line item E 02007 - Daily fee, the Preliminary Budget had $610,000 and it will be increased by $30,000 to $640,000

- In line item E 02008 - Golf Cart Rentals, the Preliminary Budget had $465,000 and it will be increased by $5,000 to $470,000

- In line item E 02006 - Seasonal Permits, the Preliminary Budget had $3,087,000 and it will be reduced by $125,000 to $2,962,000

Supervisor Colavita offered a motion that was seconded by Councilwoman Nicholson to approve a RESOLUTION incorporating the Lake Isle Amendment into the 2026 Budget.

On the roll call, all voted "AYE." Motion carried.

Councilman Marcoccia wanted to add that it is remarkable that for 14 consecutive years, the Town has been under the 2% Tax Cap. Residents tell him that they appreciate that we have consistently been under the Tax Cap. He mentioned that we all know that the taxes in lower Westchester are generally high and that thanks to Dawn Donovan and the entire staff at Town Hall we have been able to manage this Budget very tightly over these past 14 years. This is great for the Town and its residents.

Councilwoman Nicolson wanted to extend her thanks to Dawn Donovan and staff for doing a great job on the Budget.

Councilwoman Marcotte wanted to echo the other members sentiments and thanked the Department Heads as well as this doesn't just happen overnight, it takes months of hard work by many. She highlighted that it is remarkable that we have been under the Tax Cap for 14 years and that the services provided by the Town have remained constant, there has been no reduction in services to residents which is very important. She concluded by thanking Comptroller Donovan not only as a Councilwoman but as a tax payer.

Councilman Giacobbe wanted to thank Comptroller Dawn Donovan and her staff. He mentioned that as he comes from the private sector he sees that this Town is run like a business. It functions so well and efficient and all the Towns in New York State should watch what we do here. He concluded by expressing his appreciation for all that the Comptroller and her staff do.

Supervisor Colavita wanted to thank Comptroller Dawn Donovan and the Board members as well as the Lake Isle Advisory Board Members. He mentioned that the Town holds a meeting every year to go

through the Lake Isle numbers and see what we can do to make Lake Isle shine and still be very affordable to families in Eastchester, Bronxville, and Tuckahoe. He also wanted to thank the employees at Town Hall (Highway, Police, Library, Town Hall) as they work very hard and being down 26% over the years which means that they all need to do more. They all do a great job and residents should be happy with the level of services and the great quality of life that we all enjoy here in Eastchester.

Supervisor Colavita offered a motion that was seconded by Councilwoman Marcotte to approve a RESOLUTION to Adopt the 2026 Annual Budget.

A) MISCELLANEOUS BUSINESS – None

B) COUNCIL MEMBER REPORTS –

Councilman Marcoccia wanted to mention that Lake Isle indoor tennis is in full swing. Anyone interested should contact SPORTIME to register, they have a great indoor facility. If you are new to the sport, it is a good time to register. He also wanted to highlight that Consolidated Edison is promoting carbon monoxide ('CO") safety. Because you can't see, smell, or taste CO, you won't be able to rely on your senses to tell you when there's a problem. This is why every home should have carbon monoxide detectors. In addition to installing carbon monoxide detectors, you should never use a generator indoors. Only use generators outdoors in a well ventilated and in a dry area away from any air intakes to your home and it should be protected from rain and snow, preferably under a canopy, open shed or a carport. Go to Consolidated Edison's website for other safety tips and general energy saving ideas.

Councilwoman Nicholson wanted to mention that the Eastchester Environmental Committee is holding Green Medallion Awards at Broken Bow on Wednesday December 4, 2025 from 6:00 p.m. to 8:00 p.m.

Councilwoman Marcotte wanted to mention that the Eastchester Parks and Recreations Department is holding a Holiday Slice & Bake Cookies Workshop on Thursday December 18, 2025 from 6:00 p.m. to 7:30 p.m. at the Lake Isle Community Center for anyone 16 and above. The class will be taught by Chef Tina Zaccardi, who won the Great American Baking Show many years ago. If you are interested in signing up, go to the Parks and Recreations section of the Town's website at www.eastchester.gov. Councilwoman Marcotte also wanted to mention a few events taking place in Bronxville. On December 7, 2025 the Bronxville tree lighting will take place at 5:30 p.m. and all residents are invited. Also, the Bronxville High School Earth Club and PTA Sustainability Committee will be having a holiday light recycling drive from Monday, December 1, 2025 to Friday, January 16, 2026. Bring your old/broken holiday lights for them to be properly recycled to any school entrance or to Village Hall. She concluded by mentioning that the Chamber of Commerce in Bronxville is hosting several events during the holidays. On December 4th and 5th they are doing a two-day holiday shopping event and on December 6th there is a Vintage Holiday Market at the Bronxville Woman's Club.

Councilman Giacobbe wanted to mention that the Recreation Department will be busy this month with several events. Their Letters to Santa is waiting to hear from you. Santa's Red Mailbox is located outside Eastchester Town Hall from November 24th to December 13th. Please include full name and address when writing to Santa. Santa will do his best to respond. The Town of Eastchester's Holiday Lights Celebration will be held on Monday, December 8, 2025 at Memorial Park to light the Town Christmas Tree, Creche and Menorah. There will be live music by the Concordia Conservatory as well as treats courtesy of Girl Scout SU #727. Councilman Giacobbe also mentioned that the Eastchester Winter Festival & Santa Stop will be held on Saturday, December 13, 2025 from 11:30 a.m. to 2:00 p.m. at Eastchester Town Hall. There will be live music by FDR Drive, inflatables, crafts, food trucks and Santa. Finally, the Annual Chanukah Gelt Drop will take place on Wednesday, December 17, 2025 at 5:00 p.m. in Memorial Park. Attendees can catch candy dropped by the Eastchester Fire Department.

Supervisor Colavita wanted to mention that on Friday, December 5, 2025 at 4:30 the Town will be lighting the Michael Frey Tree bright blue. The tree recognizes the sacrifices police officers make each year. He also wanted to recognize the Parks and Highway Department members who have been installing holiday lights on dozens of trees throughout the Town to accommodate the various neighborhood associations as well as Memorial Park for the Town. We all appreciate their efforts.
