OLD BUSINESS: Public Hearings

4. 15-73 JC Auto Repair, 164 Summerfield Street  
   Continued Public Hearing (Interpretation)  
   Public Hearing (Use Variance)  
   Section 60, Block 4, Lot 3  
   Zone: RB
   Application for: On August 20, 2015, The Building Inspector issued a Notice of Violation (NOV) to the applicant for conducting an auto repair business within portions of the building located at 164 Summerfield Street without having obtained the proper approvals and permits. An auto repair use is not a permitted use in the RB district. The NOV required the applicant to either discontinue the use or to expeditiously seek a use variance. At a meeting on November 10, 2015, the applicant sought an interpretation from the ZBA arguing that, contrary to the determination made by the Building Inspector, the auto repair business operating at 164 Summerfield Street is a legal non-conforming use and, therefore, a use variance is not required. The applicant has now amended the application to seek a use variance as well.
