<u>TOPIC</u>	<u>DISCUSSION POINTS</u>	<u>ASSIGNMENTS</u>	<u>WHO</u>	<u>WHEN</u>
LEPC	President, Roy Folk called the meeting to order at 7:00 p.m.			
Reports Secretary Minutes	Minutes from the June, 2018 LEPC meeting were approved as presented.			
Radios	Next month Sheriff Murray Marston plans to coordinate all of the radios. He will send out a template for suggestions for channels and zones. Sheriff Murray Marston wanted to pay for all the radios to be zapped, but is afraid that every department will have to pay the cost of \$30.00 per a radio.	Send out template	Murray Marston	Aug-18
Mass Notification Test	Katie Nelson, Sheriff's office, sent out a mass notification test. She learned a lot from the test and is now trying to get everything into order. The mass notification has a restriction of a 140 character limit, which she plans to use the National Weather link that has no limit.			
Oneok	Several LEPC individuals attended a presentation given by Paul Smith from Oneok. They found it educational and informative. Mr. Smith would like to give a presentation to our group.	Contact Paul Smith to give presentation	?	
Adjourned	There being no further business, meeting was adjourned. Next meeting will be August 23, 2018 at the ECMC Admin Building for an ESF#8 dinner provided by the Ellsworth County Health Department.
