| <u>TOPIC</u> | <u>DISCUSSION POINTS</u> | <u>ASSIGNMENTS</u> | <u>WHO</u> | <u>WHEN</u> |
|-------------------------------------|---|--------------------|------------|-------------|
| LEPC | President, Roy Folk called the meeting to order at 7:00 p.m. | | | |
| Reports Secretary Minutes | Minutes from the April, 2018 LEPC meeting were approved as presented. | | | |
| Siren Protocols | Katie Nelson addressed the questions why the tornado sirens were not sounded in the City of Ellsworth. If there is no threat to the City, then no sirens will go off. Ms. Nelson asked "Do we need a policy wrote". Bob Kepka said he didn't feel like we need a policy, the sheriff's office is handling it right. | | | |
| Tower Relocation | Sheriff Murray Marston informed the LEPC committee that the relocation of the tower is not looking feasible at this time. FYI: Motorola is no longer going to update firmware after the first of the year, however the will service the radios, such as repair and parts. | | | |
| Emergency Operations Plan | Keith Haberer displayed the website that has Ellsworth County's Emergency Plan. He reviews it periodically to keep it up to date. The concept for the website is the plans are online instead of having a paper book manual. | | | |
| Adjourned | There being no further business, meeting was adjourned. Next meeting will be June 28, 2018 at Ellsworth County Courthouse basement meeting room. | | | |
