<u>TOPIC</u>	<u>DISCUSSION POINTS</u>	<u>ASSIGNMENTS</u>	<u>WHO</u>	<u>WHEN</u>
LEPC	President, Roy Folk called the meeting to order at 7:00 p.m.			
Reports Secretary Minutes	Minutes from the March 2017 LEPC meeting were approved as presented.			
Western Cooperative Electric Company	Brady Bitel, Bob McCoy and Mark Klein presented procedures for safety and handling of emergencies involving electricity. Always call to shut off electricity before you help anyone down. Call 911 if you see lines are down. Electricity is looking for the ground and your body is a great conductor. Important numbers: Mark Klein's Cell phone 785-531-0327, Western Cooperative Electric (before 8:00 a.m. or after 4:30 p.m.) 785-743-5561, call before you dig 811			
Regional Council Meeting	Bob Kepka educated us on the council's new projects and their effort for funding. Eric Loss is giving classes which include free trauma kits. The class teaches how to administer care and evacuate under gun fire.			
Health Care Coalition	Beth Vallier informed us that money will no longer be going to the Hospital, and the Health Department will continue grant monies to go to the Health Care Coalition. The Hospital will pay for its own emergency preparedness.			
Adjourned	There being no further business, meeting was adjourned. Next meeting will be May 25, 2017 at Ellsworth County Courthouse basement meeting room.
