<u>TOPIC</u>	<u>DISCUSSION POINTS</u>	<u>ASSIGNMENTS</u>	<u>WHO</u>	<u>WHEN</u>
LEPC	President, Roy Folk called the meeting to order at 7:00 p.m.			
Kansas Agriculture Emergency Response Corps (KAERC)	The Kansas Agricultural Emergency Response Corps will be composed of volunteers who will be trained and prepared to respond rapidly and efficiently to an agricultural emergency. The Kansas Department of Agriculture is looking to utilize the community and their wide range of skills. All KAERC volunteers are required to complete five core training courses. Certain positions in the KAERC will require additional training courses. Training information can be found on website. www.agriculture.ks.gov/KAERC			
Area Mutual Aide	Bob Kepka discussed the Area Mutual Aide meeting he attended today. Ellsworth County is in agreement with several close Counties. The idea is figuring out Counties an hour away from each other so we can have more mutual aide for everyone.			
Emergency Management Badging System	Murray Marston has come up with an idea for a new badging system and what the Emergency Management system could do the his Sheriff's office He was instructed to speak to Keith Haberer who was unable to attend tonights meeting.			
Adjourned	There being no further business, meeting was adjourned. Next meeting will be August 24, 2017 at the ECMC Admin Building for an ESF#8 dinner provided by the County Health Department.
