

LEPC MEETING MINUTES

April 25, 2019

Members Present: Kerianne Ehrlich, Beth Vallier, Bob Kepka, Murray Marston, Katie Nelson, Keith Haberer, Rory Tillett, Roy Folk, David Chamberlain, Ritchard Brown, Brent Van Buren, Shelly Vopat and Joshua Tipton

OPENING BUSINESS:

Chairman Roy Folk called the meeting to order at 7:00 p.m.

February LEPC Meeting Minutes were approved.

NEW BUSINESS:

Katie Nelson informed LEPC members that the Sheriff's Office received the new CAD (Computer Aided Dispatch) system. They have received system management training, but please be patient as they are still learning the new system. The addressing is different so it will be a learning curve for all those involved. Sheriff Murray Marston notified everyone that if you hit the orange button you receive a 30 second open mic. The programmer needs to fix two issues with the open mic. Dispatch can hear the person, but it does not let them know who it is on the radio and it sets off a loud alarm in Barton County. If you accidentally hit this button, take out the battery and put it back in radio to reset radio and remove the tone.

Beth Vallier asked if anyone had any requests for topics for the ESF 8 Dinner in August. Keith Haberer suggested Cyber Security.

OLD BUSINESS:

Beth Vallier remind everyone to register online at KS Train for the May Preparedness Summit on May 14, 2019 at Webster Conference Center in Salina. Dennis Colden will be the key note speaker.

ADJOURNMENT:

There being no further business, the meeting adjourned at 7:40 p.m.
