

## **Public Notice**

The City of Ewart is seeking to create a historic district commission for our beloved depot. The seven member commission must include one registered architect and each member should have a clearly demonstrated interest in historic preservation.

The city is seeking a city resident who is a historic architect and/or residents with building construction/engineering/historic preservation experience.

Please note members of this commission are unpaid volunteers and must be city residents.

For more information please contact city hall. Anyone interested in applying, please send/email your resumes to [sarah.dvoracek@ewart.org](mailto:sarah.dvoracek@ewart.org)
