## City Wide Clean Up June 26th and June 27th!

The City of Evart will be holding our annual City Wide Clean Up on Saturday, June 26th, and Sunday, June 27th between the hours of 9:00 am and 5:00 pm. There will be dumpsters available at the Waste Water Treatment Plant located at 611 W. Tenth Street. Proof of residency will be required - this can be a water bill, tax bill, or driver's license. **Please note, the following materials will NOT be accepted:** yard waste, construction materials, demolition debris, concrete, liquids, paints, pesticides, chemicals, and tires. Visit [www.evart.org](http://www.evart.org) for updates.

### Trash Reminder

*All household trash needs to be secured in bags and placed in the City provided blue bin. It is encouraged the bins are placed to the curb Tuesday night to ensure Wednesday pick up.*

## Can you help with the City Clean up?

Can you help your fellow residents with cleaning up our City? The City is seeking volunteers with trucks who could transport materials for our seniors or residents who cannot transport it themselves. If so, please call City Hall to let us know of your availability! If you would like to participate in the Clean Up but cannot transport materials on your own, let us know by calling (231) 734-2181.

### Important Information

- Commercial/Industrial water consumers should have received a call from SLC to schedule an appointment for water meter replacement; residential replacements will begin soon
- In the coming weeks, Gerber Construction will be replacing lead service lines
- Point Broadband is currently installing fiber optic cables throughout the City
- Residents can report ordinance violations on our website: [www.evart.org](http://www.evart.org)

## Upcoming Council Meetings

Council meetings will be held on the first and third Mondays of each month unless Monday falls on a holiday. Meetings will begin at 8:00 pm with a pre-council work session starting at 7:30 pm. All meetings are open to the public, including the work session:

June 7th, 2021	June 21st, 2021
July 6th, 2021	July 19th, 2021

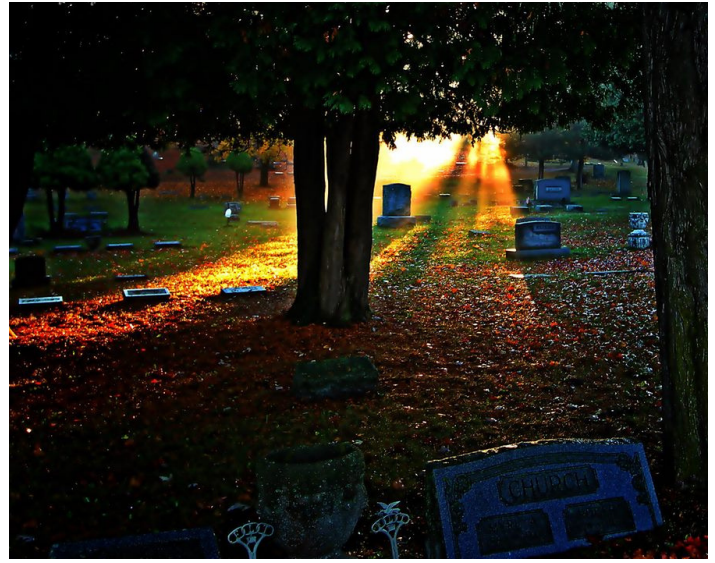

## Forest Hill Cemetery: Reminders

Summer gives us many great opportunities to honor the loved ones in our lives who have passed. Many of us like to do so by cleaning up gravesites and placing flowers or monuments on them. When doing so, please consider the following guidelines:

- Solar lights are not permitted due to the "Glowing Tombstones" and will be removed;
- Any wooded crosses or wired decorations MUST be contained within an urn and all urns must be located near the headstone;
- Toys, stuffed animals, statues, personal items, and fencing are not allowed.

In part, these guidelines are in place to allow City staff to maintain the grounds and walkways without endangering the equipment. If you have any questions regarding these regulations, please contact City Hall at (231) 734-2181

## Sidewalk Inventory

If you see a couple of people around town staring at a sidewalk then staring at their phones while referring to a clipboard, they are City employees working on a city-wide sidewalk inventory. City Council has made sidewalk improvements a priority and the first step is gathering information on the location and condition of all city sidewalks. We will be assessing the sidewalks periodically as the weather allows for the next few weeks.

## Custom Bike Rack

The City would like to extend a heartfelt "Thank you !!" to Mark Prosser and the Ferris Welding program for our new and awesome custom-designed bike rack! This will likely be installed near the corner of US10 and Main St. We are seeking someone to powder coat it. Contact City Hall if qualified and interested: (231) 734-2181

## Garden Club!

The amazing Evert Garden Club spent a day cleaning up Guyton Park in honor of our vets and has begun to plant the Library bed along US-10, which will beautify the view of passersby as they drive through our quaint little town. To the Garden Club, we at City Hall say "Thank You!" We appreciate all you do!

## Splash Pad is Open!

The City has officially opened the Splash Pad for the 2021 season. It will be open from 11:00am to 8:00pm each day. Please be respectful and clean up any trash - there is a trash can conveniently just outside of the gate. Do not allow kids to play on the fence. Pets are not allowed within the enclosure. Be safe and have fun!
