## 2021-2022

*at home. by nature.*

### We have a new City Manager!

We are very pleased to announce that Pepper Lockhart, formerly City of Evart Finance Director/Treasurer, has been appointed as City Manager. She brings a wealth of experience to the position and is already making a difference. We look forward to working with her and we hope that everyone will welcome her in her new role.

### THE WINTER PARKING ORDINANCE IS NOW IN EFFECT UNTIL APRIL 1, 2022

**Sec. 40-28. - All night winter parking.**

In order to permit the city to properly remove all snow and ice from all public ways during the winter months in the most expedient manner, no person shall park a vehicle on any street in the city, from November 1 to and including April 1, between the hours of 2:00 a.m. and 6:00 a.m., and such vehicle may be impounded by the police. This does not apply to the north side of 6th Street between Main Street and River Street.

(Code 2009, 420.02)

All city offices will be closed on Thursday, November 25 and Friday, November 26 in observance of the Thanksgiving holiday.

## Please clear your sidewalks after every snowfall

Per City Ordinance: Sec. 34-58. - Ice and snow removal.

No person shall permit ice or an accumulation of snow to remain on any sidewalk adjacent to a lot or parcel occupied by him, or on a sidewalk adjacent to any unoccupied lot or parcel owned by him, for a longer period than 72 hours after the ice or snow has formed or fallen. This does not include sidewalks to the rear of a lot or parcel.

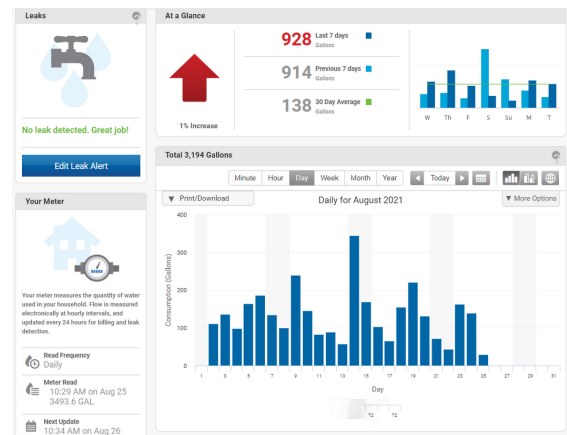

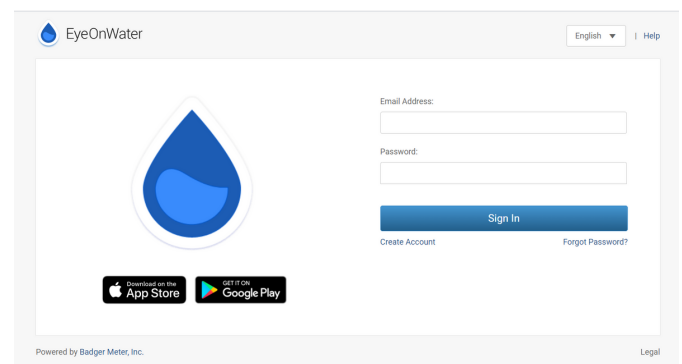

## Has your water meter been replaced?

If your meter hasn't been replaced yet, please call 231-734-2181 to make an appointment. We have contacted everyone that we have correct phone numbers for so if you have not heard from us, we don't know how to reach you. Please reach out to us.

All water meters **MUST** be replaced. The current meters are failing and can no longer be repaired or supported. Anyone that refuses to allow staff to replace their meter will eventually have their water turned off.

We do not want to take such action and we will do our best to avoid doing so.

The new SLC meters have a client portal that monitors your system for leaks and allows you to track your usage on a daily, weekly and monthly basis. You can get the app on your phone or download it to your computer by searching for "EyeOnWater".

The railroad bridge will be lit up soon!! Get your cameras ready!
