Measureable levy rate differences from 2003 are in Republic and its surrounding area and the Kettle Falls School District area. The Republic School District #309 bond has been paid and that is the reason for the levy rate dropping by more than \$2.00 per thousand dollars of assessed value. In 2003 voters approved a Maintenance & Operation's levy for the Kettle Falls School District #212 which resulted in the levy rate increase of just over \$2.47 in Levy Code Area 18 and 19.
