Comments: Levy rates have dropped throughout the whole county due to restricted budgets of taxing districts. There were no significant changes to the levy process this year. After the courts announced that I747 (an initiative passed in 2001 that restricted taxing districts from asking more than 1% over their highest lawful levy) was unconstitutional, the legislature met in special session to pass a law that would accomplish the same thing. DNR Fire Assessment has increased this year, but weed assessment remains the same and the mosquito assessment rate for the Curlew area has been reduced.
