

Instructions

How to Vote

Use a dark blue or black ink pen to completely fill in the oval to the left of your choice. Vote for one in each race. If you vote for more than one, no votes will be counted for that race.

How to correct a mistake

Draw a line through the entire measure response or candidate's name. Then you may make another choice.

Optional write-in

To vote for a candidate not listed for that race, fill in the oval provided to the left of "Write-in" and print the name clearly on the line.

Vote for only one candidate in each race.

READ: Each candidate for partisan office may state a political party that he or she prefers. A candidate's preference does not imply that the candidate is nominated or endorsed by the party, or that the party approves of or associates with that candidate.
