FAQ's

What is an explanatory statement?

An explanatory statement is prepared by the district's attorney; it outlines the effect the ballot measure would have if it is passed by the voters.

How are committees in favor of or in opposition to a measure formed?

Districts that choose to participate in the local voters' pamphlet are responsible for appointing committee members who agree to write the statements. The statements are a way to persuade voters to vote for or against a measure. The Elections Office does not check statements for factual or grammatical accuracy.
