

NOTICE

At this time, in order to reduce the risk of spreading the Corona Virus (COVID-19), the Ferry County Prosecutor's Office is closed to the public, unless absolutely necessary, in which case we ask that you call ahead to make arrangements. We are closing our doors to protect our staff and the public. We are available to conduct business by phone and/or email.

<https://www.ferry-county.com/Courts%20and%20Law/Prosecutor.html>

Please note that the Courthouse doors are open to the public for purposes of Court proceedings. Other County government offices may have closures or limited services.

We are hoping that with the utilization of social distancing and other safety measures we can slow the spread of the virus.

We appreciate your understanding and patience.
Stay safe!

If this is an EMERGENCY, please call 911.
